PCCUA PRIORITY Student Success Through Recruitment, Retention, and Completion

'I never teach my pupils; I only attempt to provide the conditions in which they can learn.'—Albert Einstein.

Phillips Community College is a member of the American Association of Community Colleges, the Arkansas Community Colleges, the National Association of College and University Business Officers, and the American Association of Collegiate Registrars and Admissions Officers. PCCUA is also approved by the Arkansas State Approving Agency for Veterans Training.

Equal Educational Opportunity Policy

Phillips Community College of the University of Arkansas (PCCUA) is an equal opportunity, affirmative action institution. PCCUA provides equal educational and employment opportunity without regard to age, race, gender, gender identity, national origin, disability, religion, marital or parental status, veteran status, genetic information, or sexual orientation. We prohibit retaliation against a person who files a charge of discrimination, participates in a discrimination proceeding, or otherwise opposes an unlawful practice.

College Mission Statement

PCCUA is a multi-campus, two-year college serving the communities in Eastern Arkansas. The college is committed to helping every student succeed. We provide high quality, accessible educational opportunities and skills development to promote life-long learning, and we engage in the life of our students and our communities.

PCCUA Values

Student Success

We are committed to the success of every student. We believe all students, given the right conditions, can learn. We believe those conditions include high expectations reflected in a rigorous curriculum and personal engagement evidenced by a faculty and staff who invest themselves in the lives of our students and our communities.

The Power of Education

We believe learning begins at birth and should last a lifetime. We believe in the power of education to transform lives and build strong, productive communities.

Diversity

We respect the inherent worth and dignity of every person.

CORE Competencies or STACC Skills (Modification in Progress)

Our CORE Competencies are skills we strive to help students develop while attending PCCUA. Our goal is that students graduating with a degree possess these skills in order to understand the social complexities of society and engage in the world at a community, national, and global level.

Social and Community Responsibility- demonstrates adherence to legal/ethical standards established by society.

Technology Utilization- use of tools of the trade to achieve a specific outcome.

Analytical and Critical Thinking and Reasoning- modes of reasoning including analyzing data, evaluating alternatives, setting priorities, and predicting outcomes.

Communication- the interactive process through which there is an exchange of verbal and/or nonverbal information.

Commitments to diversity, equity and inclusion within the context of cultural engagement and understanding-acknowledgement that society is diverse with groups of individuals possessing differing beliefs, values, attitudes, and customs that are shared from one generation to the next and one culture to another.

PCCUA Leadership

Chancellor	Dr. Keith Pinchback	1233

Accreditation

Phillips Community College is accredited by the <u>Higher Learning Commission</u>; 230 South LaSalle Street, Suite 7-500, Chicago, Illinois 60604, (800) 621-7440.

The Associate Degree Nursing program is accredited by the <u>Accreditation Commission for Education in Nursing</u>, <u>Inc. (ACEN)</u>: http://www.acenursing.org 3343 Peachtree Road, NE, Suite 850, Atlanta, GA, 30326; (404) 975-5000; Fax (404) 975-5020.

The Medical Laboratory Technology program is accredited by the <u>National Accrediting Agency for Clinical Laboratory Sciences (NAACLS)</u>, 5600 N. River Rd., Suite 720, Rosemont, IL 60018, (773) 714-8880. The Phlebotomy program is approved by NAACLS.

The business programs are accredited by the <u>Accreditation Council for Business Schools and Programs (ACBSP)</u>; 7007 College Boulevard, Suite 420, Overland Park, KS 66211, (913) 339-9356.

The PCCUA concurrent enrollment program is accredited by the <u>National Alliance of Concurrent Enrollment Partnerships (NACEP)</u>, P.O. Box 578, Chapel Hill, NC 27514

History of Phillips Community College

In 1964, leaders from all parts of Arkansas became enthusiastic about the public community college concept and undertook the difficult task of amending the state's constitution to permit the development of a system of community colleges in Arkansas.

The official history of Phillips County Community College dates from two events in 1965: (1) Act 560 of the Arkansas State Legislature, which paved the way for establishing community colleges; and (2) an affirmative vote by the people of Phillips County on October 23, 1965, which provided the local financial support for the college.

The Board of Trustees was appointed by the Governor of the State and met for the first time on November 1, 1965, officially creating Phillips County Community College. An early order of business for the Board was the election of Dr. John Easley as the first President of the College. The assembly of a faculty and staff was completed, and the new College was ready to open its doors in temporary quarters by September, 1966. The Board of Trustees decided that since construction of a new plant would take approximately two years, classes would begin in the Naval Reserve Building in Helena. The building served as home for Phillips County Community College for two years. In May, 1968, the first class was graduated. Construction of the permanent College facilities was also completed in 1968, and school opened in September of that year on the present campus.

During Dr. Easley's presidency, enrollment at the college grew, as did the physical plant. In 1972, the Fine Arts Center and Lily Peter Auditorium were completed with the help of generous support from the community. In 1976, the Nursing Education Complex was completed. In 1982, the Technical & Industrial Education Complex was opened. In 1986, the administration/data processing building was completed and a year later, the college library was renovated and named the Lewis Library, thanks to the generosity of the A. B. Lewis family.

In 1988, Dr. Easley retired and the administration building was renamed in his honor. Dr. Steven W. Jones was elected by the Board of Trustees to be the college's second president on March 8, 1988.

Since that time, the College has experienced dramatic growth with an expansion of the curriculum and facilities. Enrollment increased steadily in the early 1990's, and the Asa W. Bonner Student Center was dedicated in 1991. The Mitchell Science annex was added to the Nursing Education Complex in 1992. In 1993, the College was given the historic Pillow-Thompson House in Helena by Josephine Thompson and her son, George de Man. The house was renovated with the generous support of community donations and historic preservation grants and reopened in May of 1997.

In March 1996, the people of Arkansas County passed a referendum to annex that county into the PCCC taxing district. The Board of Trustees changed the name of the college to Phillips Community College to reflect the multi-county support and began plans to expand the off-campus programs in Stuttgart. In June 1996, the State transferred the former Rice Belt Technical Institute in DeWitt to Phillips Community College and on July 1, 1996, Phillips became a member of the University of Arkansas System. PCCUA now has three campuses in DeWitt, Helena, and Stuttgart.

Phillips Community College has always been a leader and innovator in higher education in Arkansas. The College has grown from an original enrollment of fewer than 250 students in 14 program areas to over 2,400 students in academic, occupational/technical, and continuing education programs. New programs are continually being researched and planned so that PCCUA will remain responsive to the needs and interests of the people of Eastern Arkansas. In the Fall of 2003, Dr. Steven Murray was named Chancellor of Phillips Community College. Dr. Murray was the College's third Chancellor. July 1, 2015 Dr. Keith Pinchback became the fourth leader at PCCUA.

Strategic Planning

Strategic planning is very important to the College. It is through this process that the college can engage all stakeholders in an intense and critical look at strengths, weaknesses, opportunities, and threats. In addition, the Institutional priorities focusing on recruitment, retention, and completion are integrated into all aspects of college planning. This process allows all engaged to address challenges, set goals, and identify ways to reach these goals. The Strategic Plans are usually completed over a five-year cycle and modified as needed. Because of the Covid pandemic, faculty and staff at the College felt that the existing Strategic Plan needed to be rewritten. Much work has gone into the rewriting of the Plan. However, it will not be unveiled until the mid-Fall term, 2023. The Strategic Planning Team tries to meet twice a year to review progress and add, modify, or delete goals. The PCCUA 2020-25 Strategic Plan, which is the current plan, is found at the following Website: https://www.pccua.edu/strategic-plan/

The PCCUA 2020-25 Strategic Plan includes five goals related to student access with success and improving recruitment, retention, and completion.

The PCCUA 2020-25 Strategic Plan Set Five Goals

- 1. Support for Instruction and Learning,
- 2. Development and Learning for Staff and Faculty (professional development),
- 3. Review and Revise Policies, Procedures, Support (planning, budgets, protocols),
- 4. Improve Campus Connections (internal infrastructure, communication, alignments, consistency, in-service delivery),
- 5. Develop and Support External Partnership

The long-range goal is to increase each measure of recruitment, retention, and completion by five percent (5%) creating an upward trend in the three outcomes. This is important to the introduction of the Faculty handbook because all stakeholders at the College must be part of this effort.

The next page displays the Strategic Plan and it is followed by a Priority and Goal Sheet which reflects the work accomplished with the planning process. The Plan is meant to serve as a blueprint for work during the 2020-25 cycle. Like all blueprints it is modified when needed.

	PCCUA STRATEGIC PLAN		2020-25		
Support for Instruction and Learning	Development & Learning for Staff and Faculty (professional development)	Reviews & Revisions of Policies & Procedures (planning, budgets, protocols)	Improvement of Campus Connections (internal infrastructure, communication, alignments, consistency, in-service delivery)	Development & Support of External Partnerships	
A. Increase the number and kind of courses and programs available to students	A. Provide more opportunities for division, departments, and functional area development	A. Improve communication of policy changes (information shared with all and policies applied equitably)	A. Provide consistent communication and more frequent meetings among campuses	A. Increase business and industry partnerships and utilize these partnerships for recruitment and graduate job placement	
B. Expand instructional delivery options with emphasis on developing college internet classes, cohort classes, and echnology use in face- to- ace instruction	B. Provide (share) "in- house" best practices embedded in training related to faculty and staff specific jobs	B. Develop transparency related to budgeting and allocation of funds	B. Establish a college-wide calendar	B. Increase 2 + 2 agreements or MOUs strengthening existing agreements	
C. Support new and emerging technology and provide state of the art equipment for instruction	C. Develop and implement an incentive for faculty and staff to choose to pursue an appropriate terminal degree	C. Provide opportunities for questions, answers, and input	C. Identify and share by campus, listings of employees and specific job responsibilities	C. Increase the number of campus jobs for students	
D. Ensure there are appropriate teaching and learning resources and classroom space	D. Offer a variety of professional development activities on varied topics E. Share professional	D. Promote pro-action rather than reaction to policies, procedures,	D. Provide job specific cross training for employees	D. Obtain more resources to respond to college and student needs	
	development information learned from training provided among departments and campuses	end budgeting E. Evaluate policies and procedures to ensure there are no conflicts with UA System, merge policies where	E. Provide on-going communication about diverse functional areas, departments, and divisions serving students	E. Enhance community and school relationships and increase the number of people engaged in the process	
	F. Explore and develop incentives to encourage continued education for employees	appropriate	F. Ensure that all campuses are safe and have security G. Provide orientation for new students, faculty, and staff	F. Develop partnerships which promote more accessibility for students	

2020-25 Strategic Planning Priority and Goal Sheet

The PCCUA Strategic Plan is driven by the mission. PCCUA is a multi-campus, twoyear college serving the communities of Eastern Arkansas. The college is committed to helping every student succeed. We provide high-quality, accessible educational opportunities and skills development to promote life-long learning, and we engage in the lives of our students.

This Plan is guided by three enduring values. Phillips Community College respects the diversity of its student body and community and it also recognizes the worth and potential of each student. The college affirms the following beliefs and values: we are committed to student success, the power of education to transform lives, and embracing diversity. Based on these enduring values the institutional priority is student success through the use of high impact strategies focused on recruitment, retention, and program completion.

Review and Renewwork themes and goals each year to establish and confirm direction of the year's work.

Establish audit, maintenance and review for improvement themes and goals for equipment, buildings, and programs.

Hold departments and functional areas accountable for work and document progress and achievement of goals (September and May/June)

Priority of Focus/Goals	Short Term Goals 1 Year	Medium Range 3 Year	Long Term Goals 5 Years
Goal 1: Support for Instruction and Learning	Examine and set goals	Review and modify goals	Increase courses & programs
Goal 2: Development and Learning for Staff and Faculty (professional development)	Develop short term development plan	Implement a manageable faculty and staff plan	Long term professional development plan
Goal 3: Review and Revise Policies, Procedures, Support (planning, budgets, protocols.	Review and update policies	Review and update procedures	Long term planning for policies and procedures review
Goal 4: Improve Campus Connections (internal infrastructure, communication, alignments, consistency, in-service delivery)	Address Immediate intercampus connections	Implement three- five communication strategies	Develop and implement long term strategies
Goal 5: Develop and Support External Partnerships	Identify and implement partnership plan	Increase partnerships tied to programming	Sustain and increase partnerships

Strengths: Affordability/cost/low tuition, academic support/student support, staff and faculty commitment, approachable faculty and staff, facilities, teacher-student ratio.

Challenges: Declining population, academic unpreparedness, transportation, not having staff replaced, removal of programs, GED access on all campuses. Opportunities: More course offerings-extended day/evenings, on-line, hybrid, even new programs; creation of vocational skills programming-example construction, electrical, recruitment of non-traditional students, strong business and industry partnerships.

PCCUA and Assessment

In addition to understanding the Strategic Plan, it is important for faculty to understand that assessment is a high priority at PCCUA. The Assessment Committee is working includes every division and department and functional area. Instructors are engaged in assessment work at the course, program, and institutional level.

PCCUA has had a significant number of faculty retire and as new faculty replaced retiring or faculty who have left the college, these new instructors have not had the same commitment or understanding about assessment at the course, program and institutional level. The July 2020 HLC Virtual Visit for Open Pathways resulted in an Assessment Report for 2023.

The College has taken the submission of the HLC Report seriously and organized an active faculty and administrative committee with members able to make academic decisions. The next site HLC Visit is 2025. Assessment Academy engagement aligns perfectly with preparing for that visit. PCCUA had already decided to make our institutional Quality Initiative working on the reorganization of assessment so involvement in the Academy has provided direction needed to move faculty and each division toward broad based assessment which informs decision making. PCCUA has worked diligently toward improving key performance indicators related to the Arkansas State Funding Formula such as student success, time to degree, gateway success, and transfer. Assessment has been lost in the effort and is critical to the recent reorganization work on assessment. The work is highly focused and well developed which has most likely been attained with Academy support.

The following cycle of assessment is adaptable to PCCUA's process.

Establish and revise course and program SLOs.

Map SLOs at the course, program, and institutional level.

Select or design assessment method or tools.

Develop assessment implementation strategy (Cycle or Plan).

Conduct assessment and collect data.

Develop assessment report.

Analyze and interpret data.

Use data to make changes and improve student learning.

The following template has been adopted by the Assessment Committee to share outcomes. All faculty must participate in the assessment process.

PCCUA PROGRAM ASSESSMENT PLAN

Division/Department: Degree Program:

Semester/Year:

Mission Statement or Overview of Program Program Student Learning Outcomes (SLOs) Assessment Methods

Program SLOs/Program/Core Comp.	Course(s)	Assessment Methods

The Assessment Committee has adopted a three-year assessment cycle focusing on student learning outcomes at the program level (Program Learning Outcomes or PLOs). At the beginning of each academic year, leaders at the division and departmental levels will submit their Assessment Plan used to indicate specific PLOs for each program within their division. Instructors will assess courses but the cycle allows a look at a smaller, more focused portion of student learning outcomes at the program level.

The Assessment Committee is currently working to revise PCCUA's website and to demonstrate assessment work with course- and program-level learning outcomes as part of the revision process. In spring 2021, faculty began a robust revision of PLOs and student learning outcomes at the course level. Faculty were asked to review their SLOs at the course level during the annual spring in-service meeting last year. Some revision of those SLOs might need some revision, but for the most part, the faculty were able to review their SLOs and make necessary changes.

The scope of assessment this year is centered on putting processes in place but an important component of the work is to engage faculty and staff in meaningful conversations about student learning, instructor interest in the nurturing and development of a collective learning vision, the emergence of a strong student learning data outcomes base. This is expected to evolve within the next two to three years. The Committee is implementing a more structured, college-wide assessment schedule, believing this will allow faculty to engage in conversations about assessment as a whole rather than as separate functions.

Post Covid-19 Outcomes

Post pandemic practices have left all at PCCUA acutely aware of the importance of encouraging safe health prevention practices. Although Covid is no longer the threat it once was, we still encourage students and employees to use caution in certain situations.

People with immune deficiency may want to wear a mask.

Social distancing when possible is recommended for those with immune deficiency issues.

Students and staff are encouraged to sanitize frequently and to self-screen for any health issue.

If you feel sick or have any symptoms for any illness, stay home.

Instructors and Instruction

Course and Student Information

A. Responsibilities of the Instructor

It is the responsibility of each instructor to teach the assigned class in a manner consistent with the course description in the college catalog. Adjunct and full-time faculty are required to develop a course syllabus. Course syllabi should be distributed and thoroughly reviewed with students on the first-class meeting. A syllabus template has been included in the appendix of this handbook for your convenience. (See Syllabus, pp. 30-33).

A copy of the syllabus must be provided electronically to the division dean/chair who will forward it to Linda Miller and Dr. Deborah King, Vice Chancellor for Instruction. The instructor should indicate, in writing, the relative weight or importance of each piece of required work used in determining the final course grade. Minor changes in a course syllabus (i.e., due date, slight alterations of the relative weights of various assignments) may be made as long as sufficient notice is given to the students affected. Major changes (significant changes in the relative weights of assignments, additions of major assignments, papers or test, etc.) in a course syllabus should be avoided except in extreme and unusual circumstances. Deans and directors review each syllabus to ensure that it is ready for use with students and meets all syllabus requirements. (See Syllabus Review Form, p 34).

B. Responsibilities of Instructors for Instruction

Instructors are expected to meet their class on time and for the full duration of each officially scheduled period. The federal suggestion for hybrid courses is 75% of the instructional time should be face to face. In certain circumstances this may go to 50% but should never be less than that. If an instructor has scheduled less than 75% of the face to face instructional time that instructor must meet with both the division dean and Vice Chancellor for Instruction. All faculty are requested to use BlackBoard for some instruction. However, it is recognized that some instructors may be using textbook platforms such as Hawkes, Pearson and others for instructional materials.

Each instructor must report discrepancies between the class roll and student attendance to the Office of Admissions and Records on the DeWitt, Helena-West Helena, or Stuttgart campus to assure the accuracy of student enrollment records. Students whose names are not on the class roll, who do not have an add slip, or other documentation should not be allowed to attend class. These students should be directed to their advisor or the business office so that appropriate changes can be made to their schedules. If you are altering your delivery format, this must be approved by the dean/chair.

Each instructor must send a "no show report" via e-mail to the Office of Admissions & Records immediately after the second-class meeting. Stuttgart campus instructors should send their no-show report to Valerie Colvin (ext.1806). DeWitt campus instructors should report their no shows to Kira Hobbs (ext.1614). Helena-West Helena campus instructors should report their no shows to Demetric Johnson (ext.1138).

Each instructor must evaluate the quality of each student's work, using the evidence of papers, tests, reports, projects, classroom performance, and examinations as appropriate.

Students may need to talk with an instructor between class meetings. Each instructor is to provide a telephone number (office or home) or an email address to students or have a staff member designated to forward messages from students. When possible, students' calls should be returned within twenty-four hours. (See Office Schedule, p.35).

Each examination must be supervised by the instructor or a designated proctor.

Midterm and end of semester grades must be submitted through Datatel by the required deadline.

A Student Evaluation of Instruction will be administered at least once during both the fall and/or spring semester.

C. Absence of a Faculty Member

Each scheduled class will meet regularly at the time and place indicated on the schedule unless prior approval for change of time or for cancellation is obtained from the Vice Chancellor for Instruction or his/her designee.

If an instructor knows in advance that he/she must be absent from classes, arrangements for a substitute should be made through the dean, campus program coordinator, or department dean or director.

In case of illness, not previously reported, which prevents an instructor from meeting his/her classes, the instructor should telephone the dean, campus program coordinator, or department chairperson as early as possible. **Do not leave a voicemail message**.

Faculty missing three consecutive days are required to bring a physician or practitioner's note to return to work.

D. Attendance Policy

Students are expected to attend all classes regularly and punctually. The instructor will provide to the student at the beginning of the semester a written statement of the attendance policy for the course. Regular attendance is expected in all courses with the exception of alternative delivery courses that do not meet at a fixed time and place. Instructors of such courses will explain what measures instead of classroom attendance will be used to monitor continued participation in the course. In all courses it is the student's responsibility to know and comply with the instructor's policy and to contact the instructor to make up missed work.

Adjunct instructors will notify the student's advisor by entering the appropriate information on Web Advisor so that the student can be contacted by an advisor, either by phone, in writing, or by email when a student is in danger of becoming excessively absent. Advisor names are listed on class rolls. If unable to access Web Advisor, instructors should

contact the campus program coordinator on the DeWitt and Stuttgart campuses and division dean on the Helena-West Helena campus. If the student is absent more than allowed by the instructor, the instructor on the DeWitt or Stuttgart campuses will drop the student from the class roll with a grade of an "EW" by notifying the Program Coordinator in writing within one week after the student has become excessively absent. Such written notification must include the student's last date of attendance. A recommended attendance policy is included below. (See Advisor List, p. 36)

CLASSES THAT MEET ONCE PER WEEK 2 ABSENCES CLASSES THAT MEET TWICE A WEEK 4 ABSENCES SUMMER CLASSES, DAY AND NIGHT 2 ABSENCES

A student's absence due to college trips, college business or court ordered appearances will not be counted against the allowable number of absences. Usually three days tardy will constitute one absence. The student is responsible for all work missed during such absences. This varies from division to division. Check with your dean/chair and use the academic calendar to identify instructional days. (See Academic and On-line Calendars, pp. 37-38).

E. Class Textbook(s)

The division dean, department chair, or program coordinator will supply each adjunct faculty member with copies of required texts, a recent syllabus for each assigned course, and a roll book. Incidental supplies (i.e. pens, notebooks, etc.) are also available on request from the dean, chair, or program director. Syllabi for all PCCUA classes are available online through the Intranet.

Faculty will be sent a link to the textbook adoption form 1 month prior to textbook adoption due date via email. A link will also be posted in My Ridgenet.

Faculty will fill out required textbook information.

Textbook adoption forms will be auto forwarded to appropriate deans/chairs for approval after faculty submission.

Upon approval from dean/chair, textbook adoption form will be sent to Librarian Keri Simpson. The new rental program will allow students to rent textbooks at the low rate of \$22 per credit hour. Students must either "opt-in" or "opt-out" meaning they will rent all or none of their textbooks from the College. Students will not be charged for courses which do not require a textbook. If a student wishes to purchase their textbooks, they must purchase them from external book vendors such as Amazon, Chegg, etc.

F. Class Roll/Roster

Class rolls can be accessed through Web Advisor or issued by the Office of Admissions if access to Web Advisor is not acceptable. Roll books, the procedures for determining grades and final grades must be maintained and turned in to the dean or Department Chair at the end of the instructor's tenure. Adjunct faculty members must leave a telephone number and address with the division office.

G. Early Warning

Directions: PCCUA believes that attendance is important to student success. We ask your help in making sure students understand the importance of attending class and with identifying students who are "at risk" because of attendance. The suggested practice is provided in this "Early Warning" section of the handbook.

1st Absence

After the first absence we ask faculty to discuss absenteeism in a friendly manner. The instructor should discuss the importance of being in class and emphasize the need to make-up any assignments or homework missed while absent.

2nd Absence

After the second absence the instructor will complete a student referral. An email will be generated to the advisor and the student. It is important to have assignments and activities in class which require the student to check PCCUA email so they become familiar with it.

Students enrolled in Section 20 or 30 classes (evening and extended day or courses which meet once a week) should be considered "at risk" after the first absence. The instructor should complete the Student Referral Form identifying the student as "at risk" so the advisor can intervene before the second absence.

3rd Absence "At Risk"

The instructor will complete a student referral which is sent to the advisor and the student. Students at this level are considered "at risk" and need to be contacted more intrusively so that they return to class and remain in the class without further absences.

H. Examinations

Final examinations given at the end of the semester must take place at a time announced in the examination schedule in the Schedule of Classes. Any variation from this exam schedule must be approved by the Vice Chancellor for Instruction. (See Final Exam Schedule, pp. 39-40)

I. Grade Assignment, Change and Appeal Procedures

1. Grade Assignment

Assigning grades for college courses is the responsibility of each individual instructor. Instructors are expected to use good judgment and fair methods in determining grades and to orient their classes during the first week of instruction as to the basis for grading, standards of attendance, and nature of assignments. The definition of letter grades granted by the college is given in the college catalog. It is always a good practice to retain student examinations and other documentation when assigning grades.

Instructors are responsible for submitting grades twice during each semester. These periods are at midterm and after final examinations. Grades are posted with the Office of

Admissions and Records and the due times are published in the academic calendar of the catalog.

2. Grading System

A is given for excellent work (4 quality points per semester hour).

B is given for work that is above average (3 quality points per semester hour).

C indicates work of average quality (2 quality points per semester hour).

D is the minimum passing grade (1 quality point per semester hour).

F indicates that student failed to meet minimum requirements (0 quality points).

W indicates a student withdrew from a course within the prescribed time.

EW faculty-initiated withdrawal due to excessive absence.

S is given for students working up to potential in individualized (self-pacing) courses.

AU Audit

S/U is given for student in individualized courses who fail to work up to potential.

I is given for incomplete work to be made up within sixty days following the close of a current semester. An "I" contract must be submitted before this grade can be awarded.

WC Withdrawal Crisis is requested by the student within a specific time after completing the course and is used in permissible if there has been a crisis in that term.

3. Incomplete (I) Grades

At the end of any semester, an instructor may assign a grade of "I" if extenuating circumstances have prevented the student from completing all course requirements. An "I" grade is appropriate only in situations where the student has completed the vast majority of the course requirements based on professional judgment of the instructor. The instructor shall make a professional judgment, on a case-by-case basis, concerning the efficacy of assigning an "I" grade. If a grade of "I" is assigned, the instructor will make a written contract with the student. This contract shall be signed by the instructor and the student, work to be completed listed, and a specific date for completion of the course work provided. The instructor will file the contract with the Office of Admissions and Records. (See Incomplete Grade Change, p. 41)

4. Grade Change

An instructor may change a recorded grade assigned in error. The instructor should complete a Request for Grade Change form, sign it and forward to the division dean for signature and submission to the Office of Admissions and Records. The Office of Admissions and Records will correct any error that may be made while entering grade. (Request for Grade Change Form, p.42)

5. Appeal of Grade or Other Academic Issues

Questions related to grading or other matters of an academic nature should be presented to the student's instructor. If not satisfactorily resolved at this level, the question should be referred using the following procedure:

Student initiates contact with instructor within 10 working days of receiving the final course grade by submitting a completed grade appeal form to instructor.

If no resolution is reached, student submits a copy of completed grade appeal form with instructor's "action taken" to the division chair or dean, and the campus Vice Chancellor (if the course appealed is in Stuttgart or DeWitt) within 5 working days of Step 1.

If no resolution is reached, student submits a copy of completed grade appeal form with signatures of instructor, division chair/dean, and Vice Chancellor (if the course appealed is in Stuttgart or DeWitt) within 5 working days of Step 2, to the Vice Chancellor for Instruction (VCI). The VCI notifies the chair of the Faculty Senate Academic Standards Committee to conduct a hearing.

Within 5 working days of Step 3, the Chair of the Faculty Senate Academic Standards Committee will convene to consider the appeal. If the Faculty Senate Academic Standards Committee finds the request merits a hearing, the committee will notify the student and instructor within 5 working days the time and location of the hearing.

The Academic Standards Committee will convene the hearing and findings concerning the appeal are considered final (Academic Appeal Form P. 43-44).

If the question is an academic matter other than grades, the same appeal process listed above will be followed.

In all cases the grievant has the burden of proof with respect to the allegations in the complaint and in the request for a hearing.

Although the primary responsibility of the Academic Standards Committee is to review appeals, the committee will report a written decision of the final solution to the complaint. The written decision will be kept in the student's file in the Office of Admissions and Records. Because of the time needed to resolve a possible grievance, all instructors must retain appropriate tests for at least one semester following the semester just ended.

Steps	Procedure	Time Frame
Step 1	Student initiates contact with instructor. If no resolution, proceed to Step 2.	Within 10 working days of receiving the final course grade, student submits completed grade appeal form to instructor.
Step 2	Student submits copy of completed grade appeal form with the "instructor's action" taken to the division chair or dean, and the Campus Vice Chancellor (if the course appealed is in Stuttgart or DeWitt). If there is no resolution, proceed to Step 3.	Within 5 working days of Step 1
Step 3	Student submits copy of completed grade appeal form with signatures of instructor, division chair/dean, and Vice Chancellor (if the course appealed is in Stuttgart or DeWitt). This action is taken to the Vice Chancellor for Instruction (VCI).	Within 5 working days of Step 2

	The VCI notifies the chair of the	
	Faculty Senate Academic Standards	
	Committee to conduct a hearing.	
Step 4	The Chair of the Faculty Senate	Within 5 working days of Step 3
	Academic Standards Committee	
	convenes to consider the appeal.	
Step 5	If the Faculty Senate Academic	Within 5 working days of Step 4
	Standards Committee finds the	
	request merits a hearing, the	
	committee will notify the student	
	and instructor within 5 days the time	
	and location of the hearing.	
Step 6	Academic Standards Committee will	Within 5 working days of Step 5
	convene the hearing. Findings	
	concerning the appeal are considered	
	final.	

According to Board Policy 404, instructors will assign mid-semester advisory grades, final grades, and student progress or class standing when requested by the administration. Grades may be kept in a grade book filled out in ink or kept in an electronic grade book. Instructors will record all grades and attendance in the grade book in a timely manner. Instructors will keep grade books on file for three (3) years and after three years the grade books will be shredded, electronically deleted, or destroyed. In the event of termination or resignation of an instructor's employment with Phillips Community College of the University of Arkansas, the instructor will return all grade books in his or her file to the direct supervisor of the department.

J. No Show

Students who miss the first two days of class must be reported to the Office of Admission and Records as "NO SHOWS". This is extremely important for accurate student submission numbers.

K. Student Referrals

Students and their success are important to PCCUA. There are many factors that play a role in the success of a student, some of which the College, faculty and staff have no control over. Support assistance may be provided through different channels so faculty are asked to submit an electronic referral form.

l. Students with Disabilities

PCCUA is an open enrollment college and committed to meet the needs of students with disabilities who wish to advance their educational background. In order to meet the needs of students with disabilities entering the College, PCCUA provides assistance, a professional academic advisor, and certain academic accommodations. Through the use of these services, students are more likely to experience success in a positive learning environment.

Philosophy

PCCUA welcomes students with disabilities. PCCUA strives to meet the needs of students with self-disclosed disabilities who wish to advance their education. Students with disclosed disabilities who work with a Disability Coordinator to obtain reasonable accommodations are more likely to experience success in a positive learning environment.

Confidentiality

Information in the student's disability file is confidential. Information pertaining to the student's disability will be maintained in a sealed envelope in the student's permanent academic record. Information about the existence and relevant limitations of a disability as well as the accommodation for which a student is eligible will be disclosed only with the student's written permission. The student must provide written permission for disclosure to secure academic and support services (parking, library usage).

Disclosure

Students are encouraged to disclose a disability and to request reasonable accommodation for that disability, as early as possible during a particular semester, in order that any agreed upon accommodation may be implemented as soon as possible for the benefit of the student. Written documentation of a disclosed disability must be presented to one of the PCCUA Disability Coordinators who are identified in the PCCUA College Catalog and Student Handbook.

Appeal

A student may appeal a decision concerning accommodation by first requesting an informal meeting with a Disability Coordinator, the Vice Chancellor for Instruction, and instructor if applicable. If the issue is not resolved, the student may activate the formal grievance process as outlined in the *PCCUA Policy and Procedure Manual*.

Legal Policy

PCCUA accommodates students with disabilities as required by the American Disabilities Act (ADA) of 1990 and the Rehabilitation Act Section 504 (173). A Disability Coordinator is available on each campus to assist students in obtaining reasonable accommodations for self-disclosed disabilities. Disability Coordinators are identified in the PCCUA College Catalog and Student Handbook. It is the student's responsibility to self-disclose the disability to the Disability Coordinator.

https://www.pccua.edu/disability-services/

<u>The Rehabilitation Act of 1973</u> included Section 504 forbade discrimination against persons with disabilities by programs and activities receiving federal financial assistance, which included virtually every institution of higher education, except the U.S. military academies and a few small religious schools.

A postsecondary institution must make reasonable accommodations for students with disabilities so that they can participate in programs and activities.

Colleges must make "academic accommodations" for students with disabilities so that they can participate in the academic and extra curriculum at the institution. Academic accommodations include extended time for test taking or completion of course work; tape recording of classes; substitution of specific courses to meet degree requirements; modification of test taking and other adjustments.

Colleges do not have to provide accommodations that would "fundamentally alter" the educational program or academic requirements essential to a program of study or necessary to fulfill licensing requirements.

http://www.ed.gov/about/offices/list/osers/osep/index.html

The rights of students with disabilities are protected under Section 504 of the Rehabilitation Act of 1973 (Section 504), the Americans with Disabilities Act of 1990 (ADA), the Individuals with Disabilities Education Act of 1990 (IDEA), and the Disabilities Education Act of 1997, Public Law 105017.

Process for Receiving Services

1. Make an appointment to meet with a Disability Coordinator as early as possible during a particular semester, preferably before a semester begins. A Disability Coordinator is located on each campus and identified in the College Catalog and Student Handbook.

DeWitt-Shawanna Wansley (ext. 1628) Helena-West Helena-Deborah Gentry (ext.1214) Stuttgart-Sylvia Boyd (ext.1809)

2. Obtain an Application for Disability Services Form at the following link.

https://www.pccua.edu/disability-services/

- 3. Submit to the Disability Coordinator (1) a completed Application for Disability Services Form and (2) medical documentation from providers, which include but are not limited to, a certified/licensed physician, psychologist, psychometrist, audiologist, speech pathologist, rehabilitation counselor, physical or occupational therapist. Medical documentation must reflect the student's present level of functioning with respect to the major life activity affected by the disability. Diagnostic information must include specific recommendations as well as the rationale for each. The cost of obtaining professional documentation is the sole responsibility of the student.
- 4. The Disability Coordinator will verify eligibility and discuss with the student the medically recommended accommodations.
- 5. The Disability Coordinator and student will identify and agree upon reasonable accommodation(s).
- 6. The Disability Coordinator will complete a Faculty Notification of Services Form, which identifies recommended reasonable accommodation(s).
- 7. The Disability Coordinator will give the completed Faculty Notification of Services Form to the student.

8. The student will assume responsibility for taking the completed Faculty Notification of Services Form to each of the student's instructor(s) to discuss the identified accommodation(s) on the Faculty Notification of Services Form.

(The Disabilities Coordinator will e-mail instructor(s) teaching courses for which the student has requested accommodations.)

- 9. The instructor and student will discuss the requested reasonable accommodations.
- 10. The instructor will sign the Faculty Notification of Services Form indicating his or her notification to provide reasonable accommodation services. Each instructor will keep a copy of this signed Faculty Notification of Services Form for his or her records.
- 11. The student will return the original Faculty Notification of Services Form to the Disability Coordinator <u>after</u> each of the student's instructor(s) for a particular semester has/have signed the form.
- 12. The Disability Coordinator will keep a signed copy of the Application for Disability Services Form, medical documentation, and Faculty Notification of Services Form in the Disability Coordinator's office.
- 13. The Disability Coordinator will send a copy of the Application for Disability Services Form, medical documentation, and Faculty Notification of Services Form in a sealed envelope to the Registrar's office for inclusion in the student's permanent academic record.
- 14. Requests to rescind or modify any accommodation must be submitted in writing to the student's Disability Coordinator <u>and</u> all instructors providing reasonable accommodations for a particular semester.
- 15. The <u>request</u> to receive accommodation services for a disclosed disability <u>must be repeated</u> <u>each and every semester</u> the student is enrolled. However, documentation does not need to be presented to the Disabilities Coordinator each semester unless the status of a disability changes requiring a different level of accommodation. The following link will take you to the Student with Disabilities page.

https://www.pccua.edu/disability-services/

Pdf copies of the application process, application form, student checklist, and faculty notification are included at the bottom of the web page.

Faculty Responsibilities

Faculty are required to comply with federal and state laws requiring reasonable services to students with disabilities. Therefore, the faculty will ensure the following actions are implemented:

Comply with reasonable accommodations.

Identify additional accommodations which may facilitate student learning.

Inform the student's advisor of high-risk student behaviors. Maintain confidentiality of the student's disability.

M. Professional Leave (BP 650, AP 650.04)

Faculty members are encouraged to attend professional meetings, workshops, conferences, and other events that promote professional growth. Deans or supervisors will try to provide information in advance about professional opportunities to all faculty members.

Each division will have a limited budget to support travel for faculty. These funds will normally be used for meetings and other activities within driving distance. If a division has spent its allotted budget or if additional money is needed, a request may be made to the department chairperson or dean. The additional money may be provided through the faculty development fund. The money in this fund will be allocated to divisions based on the number of full-time instructors. The Vice Chancellor for Instruction will be responsible for administering the funds allocated to each division.

A written request should be submitted at least four weeks in advance of the date the leave is requested. A Proposal for Professional Leave form should be submitted to the department chairperson and/or the dean. Individuals granted faculty development funds will be expected to submit a short-written report to the department chairperson upon their return. A copy will be sent to the Vice Chancellor for Instruction for the permanent file.

Faculty development funds may be made available outside of the division rankings for faculty who apply or are asked to present scholarly papers at regional and national meetings. Faculty members who are contemplating presenting papers at such a meeting should have full written approval before accepting any obligation. There will be no set limit on the number of presentations that may be requested; however, funds for this type of application are limited and will be considered on an individual basis. Presentation requests that result from a competitive selection process will have a priority funding status. Concurrent submission to the Vice Chancellor for Instruction. (See Proposal for Professional Leave Form, p. 45)

N. PCCUA Initiatives

The College offers support and services to help lower-income people get work and improve their financial security. Under this strategy, individuals receive a coordinated set of three key services. This approach provides integrated services through the bundling and sequencing of complementary supports in the three key areas: financial coaching and education, employment, and improved access to public benefits. The College faculty and staff stress a focus not just on such measures as participation rates, but also on key outcomes which include job placement and retention, family income, credit score improvement and completion rates for college degrees or training programs.

1. Achieving the Dream- Achieving the Dream is a national initiative to help more community college students succeed. It focuses on student groups that traditionally have faced significant barriers to success, including students of color and low-income students. The priority for this initiative is success in remedial education, completion of gateway courses, increased retention and completion. It relies on Supplemental Instruction and Student Success I and II

courses along with numerous other interventions. PCCUA is an ATD Leader College of Distinction.

- 2. Program Improvement Process for Equity (PIPE) The Program Improvement Process for Equity (PIPE) is a data-driven, decision-making, institutional change process focused on increasing the participation, completion, and transition of underrepresented groups in nontraditional programs of study. The PIPE process includes 1) conducting a student data gap analysis, 2) identifying root causes for the gaps, and 3) developing an action plan with research-based strategies proven to close the gaps. PIPE focuses on institutional programs, practices, and policies to build an environment where every student can realize their potential in high-wage, high-skill, in-demand careers. It is Carl Perkins driven and funded.
- 3. Career Pathways- The Arkansas Career Pathways (ICP) initiative is a comprehensive project designed to improve the earnings and post-secondary education attainment of Arkansas's low–income Temporary Assistance for Needy Families (TANF)-eligible adults. The initiative provides funding for two-year colleges to develop career pathways programs that assist TANF-eligible adults to earn a marketable educational credential for immediate entry into a high demand occupation. One CP specialist is located on each campus.
- 4. Career and Technical Center- Partnering with school districts in our service area (Helena-West Helena, Marvell, KIPP, Barton, DeWitt, Stuttgart, Clarendon, and Lake Village) to provide job training and career exploration in high demand career fields such as Advanced Manufacturing, Welding, Criminal Justice, Medical Professions and Computer Engineering. These programs have prioritized funding based on workforce need as determined by the Department of Career Education.
- 5. Student Support Services (SSS) Students accepted for enrollment at Phillips Community College are eligible to apply for SSS. It is designed for first generation or low-income students. The term *low income* means from a family whose taxable income for the preceding year did not exceed 150 percent of an amount equal to the poverty level determined by using criteria of poverty established by the Bureau of the Census. The term *first generation college student* means a student both of whose parents did not complete a baccalaureate degree or, in the case of any student who regularly resided with and received support from only one parent, a student whose only such parent did not complete a baccalaureate degree. Services provided to SSS students include academic advising and course selection, financial aid counseling and assistance, transfer information and assistance, including college trips, instruction in study skills, career exploration, peer and computer assisted tutoring, peer mentoring, advocacy with staff and faculty, and an open computer lab.
- 6. Carl Perkins V- Carl Perkins V focuses on student success in career and technical education. Perkins V includes: 1) Postsecondary Placement, 2) Credential attainment and 3) Concentrators Non-Traditional. The needs assessment drives the development and spending decisions. Assessment includes: student performance, program quality, labor market needs, educator development, and special population access to programs. Perkins relies on input from multiple stakeholders. Perkins funding is designed to ensure students are prepared for

careers and that business and industry have skilled workers to stay economically competitive.

- 7. GEAR UP- Partnering among PCCUA and ten school districts (Helena-West Helena, Barton-Lexa, Marvell-Elaine, Lee County, Stuttgart, DeWitt, Clarendon, KIPP, Dumas, and Lakeside -Lake Village), as well as other community partners such as the Chamber of Commerce, City governments, local police and fire departments, and more. Services include: afterschool programs; mentoring college/career planning; summer programs; college campus experiences; professional development for school staff; resources to support the delivery of rigorous and academic curriculum; and parent programming. This is funded by the U.S. Department of Education.
- 8. Adult Education- The Adult Education program allows students over the age of 16, who have not completed high school studies, the opportunity to acquire the skills necessary to pass the General Educational Development (GED) test or to meet other educational goals. Adult Basic Education (ABE) teaching basic literacy in reading, language skills, and math, and work readiness skills. Adult Secondary Education (ASE) teaching reading, English, and math skills necessary to pass the GED test or available training programs. 3) Integrated Education and Training (IET) teaching basic educational skills and technical training in approved vocational areas.
- **9. Food Pantry-** PCCUA has a Food Pantry on each campus. These centers are available to assist students when there are food crisis issues. For more information contact the following people: Helena-Kena Henderson (1242) Shawndus Gregory (1116), DeWitt-Kim Rawls (1690), and Stuttgart- Sharonda Thomas (1814).
- **10.** Career Closet- The Helena campus has a Career Closet available to students needing professional attire for interviews, internships, and work. Clothes and accessories are free and all are only lightly worn. Helena Campus-Shawndus Gregory.

O. PCCUA Library Services

Keri Simpson is Director of Library Services and Bookstores for Phillips Community College. She works closely with library staff to meet the needs of students, faculty, staff, and community patrons. Materials and resources are frequently added to the library collection to aid in research for classes or personal enrichment. Individual and group instruction sessions are available. The campus bookstore is also located in the library. The library has extended hours to increase availability to all patrons. Access to computers and library services such as databases and online catalogs are provided for convenience to everyone. For more information please contact a library staff member at extension 1145.

Campus	DeWitt	Helena	Stuttgart
		Lewis Library

P. Helpful Faculty Links

Adjunct Faculty should contact the program dean for questions regarding instruction. Both full and part time faculty will find the following links helpful.

Achieving the Dream https://www.pccua.edu/achieving-the-dream/

Faculty Association https://www.pccua.edu/faculty-association/

High School Relations https://www.pccua.edu/high-school-students/\

Students with Disabilities https://www.pccua.edu/disability-services/

Student Discipline https://www.pccua.edu/student-discipline-policy/

Faculty Resources https://www.pccua.edu/academic-affairs/

Online Courses https://www.pccua.edu/online-courses/

Q. Accidents and Incidents

In most cases, unless a security officer is present, the responding employee becomes a temporary emergency team leader responsible for acting at the scene of an incident. If you are involved or witness an accident or incident take the following steps:

Assess the accident or incident

Report the accident or incident to the switchboard

The PCCUA employee reporting the accident or incident to the Vice Chancellor for Student Services will complete the accident report form (See both Accident Report Form and Incident Report Form - On Internet).

If you are writing the report give it to the Vice Chancellor for Student Services in Helena or the Arkansas County Vice Chancellor's in Stuttgart or DeWitt. (See Crisis Management Plan for Complete Process

https://pccua.edu/academic-affairs/ (See Accident Report, p. 46 & Incident Report, p. 47)

R. Travel

PCCUA encourages faculty to reserve a college vehicle when traveling as a representative of PCCUA. If a vehicle is not available for out of town travel, mileage reimbursement may be available. Discuss the travel plan with your dean or department chair before filing a leave form requesting reimbursement. (See Vehicle Request, p.48).

S. Textbook-Rowdy Rents

PCCUA offers the ROWDY-RENTS Textbook Rental Program! This program is administered through the PCCUA Library system with libraries on each campus. Rowdy Rents allows students to rent textbooks at the low rate of \$22 per credit hour. Students must either "opt-in" or "opt-out" meaning they will rent all or none of their textbooks from the College. Students will not be charged for courses which do not require a textbook. If a student wishes to purchase their textbooks, they must purchase them from external book vendors such as Amazon, Chegg, etc.. Before purchasing a textbook, students should check with the program advisor because some programs, especially Allied Health, require specific editions and lab kits.

T. Forms

Numerous forms can be found on Ridgenet. Most faculty forms, templates, and other useful documents are posted for your convenience.

V. Steps for Enrollment in Developmental Education at PCCUA

A student completes the PCCUA Admissions Application and begins the enrollment process following the next steps. All students attending PCCUA are NG ACCUPLACER Tested. At entry students receive a test review and afterward are tested before being placed with a focused advisor. Students who do not score a 19 or better on the ACT or an equivalent test are placed in remedial classes (See Placement Scale). Once students receive the placement test outcomes, they are assigned an advisor who understands the developmental course pathway. This advisor will make sure each student understands the remediation needs in relation to his or her proposed degree plan. All students enrolled in Developmental Education will receive the following interventions: supplemental instruction, focused advising, student success courses (EH 1023 & EH 113), Early Alert, mandatory orientation, and access to a Student Success Learning Lab. In addition, students receive numerous services such as tutoring, virtual career assistance, and counseling. Students placing in developmental education may start at different course levels depending on their skill level in three skill areas: reading, writing, and math.

1. Reading

College Reading Strategies, DS 103 this is for students with an NG Accuplacer score of 231 or below on Reading

College Reading Strategies, DS 123this is for students with an NG Accuplacer score of 232-250 on Reading

2. Writing in Arkansas County

Basic Writing I, EH 1013-225 or below on the Accuplacer (13 or below on the ACT) Basic Writing II, EH 1023-226-250 on the Accuplacer (14-18 on the ACT)

Writing Pilot in Phillips County

All students needing English remediation for Basic Writing I take EH 1013 with EH 1011. If a student places into what was EH 1023 with EH 1021, that student now takes EH 1131, a lab, with EH 113, Comp I

Students with an ACT of 14-18 or who score between 226-250 on the NG Accuplacer must enroll in the following corequisite course when they enroll in EH 1131 which is linked to EH 113. **The student should be enrolled in the lab first.**

EH 113 and lab EH 1131 and the corequisite SS II, SS 111

2. Students with an ACT 13 or below; or a 225 or lower on the NG Accuplacer must enroll in the following courses:

EH 1013 and EH 1011 and Student Success I, SS 101

3. Math

All students needing math remediation take MS 1023
Students with ACT 14 or below or 227 or below on the NG Acc

Students with ACT 14 or below or 227 or below on the NG Accuplacer must enroll in the following corequisite course.

MS 1023 and lab <u>MS 1002</u>

2. Students with ACT 15-16; or a 228-236 on the NG Accuplacer must enroll in the following course:

MS 1023 NO LAB

Students with 17-18 or above; 237-248 on the NG ACCUPlacer QAS or complete MS 1023 may enroll in either of the following courses:

Tech Math, MS 143

College Algebra MS 123 and MS 1121

Quantitative Reasoning/Literacy, MS 193 and the Lab-MS 1191

Students with ACT 19 or above, or a 249 or above on the NG ACCUPlacer QAS may enroll in either of the following courses:

Tech Math, MS 143

College Algebra MS 123

Quantitative Reasoning/Literacy, MS 193

Placement Steps.

Step 1: Students receive the NG ACCUPLACER Test Preparation/Review

Step 2: Students are tested and placed in the appropriate courses.

Step 3: Students are assigned an advisor

Step 4: Students discuss remediation needs and an academic program of study. Students begin course work needed to complete remediation or begin college level course work.

Note: Placement in remediation is based on NG ACCUPLACER or ACT scores. Testing and placement is mandatory for all incoming students. Students that score below a 19 on the Reading, English, and/or Math portions of the ACT are required to take the NG ACCUPLACER. PCCUA students (not concurrent students) can enroll in some developmental and gateway college level courses concurrently: Basic Writing II with Composition I.

PCCUA COURSE PLACEMENT TABLE-REMEDIATION					
PLACEMENT	COMPASS	ACT	CLASSIC ACCUPLACER	NG ACCUPLACER	All Campuses Fall
EH 1013 (Basic Writing I) and EH 1011 (Basic Writing I Lab)	0 – 37 on Writing Skills	13 or below on English	50 or below on Sentence Skills	225 or below on Writing

W. Student Discipline

PCCUA has a standard of conduct that will be enforced at all times. Unacceptable behaviors are identified in the PCCUA Student Handbook and posted on the PCCUA Student Menu on-line. In order to sustain an environment that promotes responsibility, cooperation, respect, and learning, any PCCUA employee is expected to correct inappropriate conduct anywhere on College property at any time. In accordance with Administrative Procedure: 405.01-Classroom Discipline and Student Conduct, respect for other students' right to learn and an instructor's right to teach, is imperative. Further, if a student's behavior is disruptive, an instructor has the right and obligation to make the student correct the behavior. An instructor can direct a student to leave the classroom. (See Administrative Procedure 405.01: Classroom Discipline and Student Contact, p. 49-54)

X. Title III

The PCCUA Title III grant is designed to strengthen the College by addressing weaknesses in the areas of academic programs, institutional management, and fiscal stability. To increase enrollments and best serve its service area, the PCC project focuses on **improved access** to student services, existing programs leading immediately to entry level jobs, redesigned high-demand programs, and a new high demand, high pay program to train Occupational Therapy Assistants. This project will have four components:

- 1. Upgrading infrastructure on all three campuses.
- 2. Creating a Technical Academy by organizing training and services for faculty, staff, and students.
- 3. Reorganizing specific courses in the existing curriculum to restructure the AAS in General Technology.
- 4. Developing an AAS program in Occupational Therapy Assistant (OTA).

EXPECTED STUDENT LEARNING OUTCOMES (Course Outcomes)

INSTRUCTIONAL GOALS, OBJECTIVES &

MEASURES PCCUA CORE COMPETENCIES

The five core competencies (STACC) are incorporated within the context of the subject being taught. The competencies address skills the College has committed to developing in all students.

Students graduating from PCCUA will demonstrate the following core competencies:

- 1. Social and community responsibility
- 2. Technology Utilization
- 3. Analytical and Critical Thinking and Reasoning
- 4. Communication
- 5. Commitments to diversity, equity and inclusion within the context of cultural engagement and understanding

GRADING POLICY

Quizzes
Papers,
Assignments
Tests
Mid Term Exam
Final Exam
Grading Scale

ATTENDANCE POLICY

PARTICIPATION

COURSE EVALUATION & ASSESSMENT

EARLY ASSESSMENT OF LEARNING MEASURE (must be completed before the 4th week of class-test, demonstration, essay, writing assignment, other-must identify what the assessment will be).

INTERVENTION BASED ON EARLY ASSESSMENT OUTCOME (what intervention do you plan to implement if early assessment of student learning indicates the student is having problems with the material-must identify intervention which could be tutoring, review or material, review sessions after class, study sheets, one on one assistance)

MISSED OR LATE ASSIGNMENTS AND EXAMS

STUDENT RESPONSIBILITIES

SUPPORT FOR LEARNING

Students will be assessed for learning outcomes by the fourth week of classes. In this course students have several options to assist with learning course material. Explain how this will be accomplished.

ACADEMIC HONESTY POLICY

LABORATORY PROCEDURES (if applicable)

CAMPUS SUPPORT SERVICES

Phillips Community College of the University of Arkansas provides student support services that assist students in achieving their educational objective. Those services include advising, financial aid, counseling and guidance, and safety and security

ADA POLICY:

Dr. Kimberly Johnson is the Vice Chancellor for Student Services and serves as the ADA Compliance Officer. As an open enrollment college, PCCUA strives to meet the needs of students with self-disclosed disabilities who wish to advance their education. A student with a disability must meet with the campus Disabilities Coordinator to obtain reasonable accommodations. Students who have met with the Coordinator are more likely to experience success in a positive learning environment. If you have a disability please contact the Student Disabilities Coordinator for your campus. (Insert the name and contact information for the Disabilities Coordinator for the student's campus.)

DeWitt-Shawanna Wansley (870) 946-3506, ext. 1628

Helena-West Helena Deborah Gentry (870) 338-6474, ext. 1214

Stuttgart-Sylvia Boyd (870) 673-4201, ext. 1809

The process of student referral under the Americans with Disabilities Act can be found in the Student Handbook or the College Web site.

https://pccua.edu/disability-services/

FERPA POLICY

Phillips Community College of the University of Arkansas complies with the Family Educational Rights and Privacy Act (FERPA) of 1974. A student has the right to inspect and review all of his/her records that meet the definition of educational records. No third party has the right to

review student records without the student's permission, with very limited exceptions. For more information contact the Registrar's Office.

INSURANCE

Phillips Community College of the University of Arkansas does not provide insurance for its students. The college does encourage each student to secure his/her own insurance, and for that reason, the college has contacted an insurance agency to assist any student with individual student insurance coverage. Forms for this insurance are available in the Registrar's office.

ACTS

The Arkansas Course Transfer System (ACTS) contains information about the transferability of courses within Arkansas Public Colleges and universities. Students are guaranteed the transfer of applicable credits and the equitable treatment in the application of credits for the admission and degree requirements. Course transferability is not guaranteed for courses listed in ACTS as "No Comparable Course." Additionally, courses with a "D" frequently do not transfer and institutional policies may vary. ACTS may be accessed on the Internet by going to the ADHE Website and selecting Course Transfer.

COLLEGE DELAY OR CLOSURE

Weather, natural disasters, health, or emergencies may require PCCUA administrators and staff to delay or close individual campuses or the college. We monitor weather, health, and other emergency situations carefully. In the event that there is a College closure,

communications regarding the situation will be shared. Just because the K-12 district makes the decision to close, does not mean the college will close. If the roads are passable, and we are able to offer our classes, we will remain open. Just because one campus is closed does not mean all three campuses are closed. If the College closes for one or two days, faculty will not hold students responsible for any missed classes and each faculty member will ensure that missed work due to the closure or delay is completed within the context of the course assignments and class time.

If for some reason there is an extended school closure, the student is responsible for following the instructions for assignments posted on **BlackBoard**. **All courses that are currently delivered via a distance (online or synchronized interactive) video) will continue to be delivered by that format in the event of a school closure. Students who are currently delivered classes through synchronous interactive video courses will be able to join those conferences from home by accessing a user link provided by the instructor.**

The syllabus and the policies, guidelines, and dates included are subject to change at the instructor's discretion.

Nursing Orientation in Helena (All students a	dmitted to the ADN Program.) Nursing Orientation in DeWitt (All students admitted
to the PN Program.)	
August 17 (TH)	Orientation for all new and returning students (All Campuses)
August 21 (M)	Day & evening classes begin, Fast Track 1 begins, Online classes begin
August 28 (M)	Last day for 100% refund
	Labor Day Holiday (no classes, offices closed)
September 6 (W)	Last day to complete application file for current semester/Last day for 50% refund
October 11-12 (W & TH)	Online Midterm Proctored Exams & Fast Track 1 Final Exams
October 13 (F)	Midterm advisory grades due (4:00 pm)
	Online Midterm Advisory Grades due & Fast Track 1 ends
October 18 (W)	
	Faculty/Staff In-Service (no day classes but evening and weekend classes meet)
(offices closed)	
November 1 (W)	Last day to drop and receive a "W"
November 6 (M)	
	Faculty and students do not report (no classes, offices open Nov. 20-22)
· ,	Thanksgiving Holiday (no classes, offices closed)
November 27 (M)	
December 1 (F)	
	Online Final Proctored Exams & Fast Track 2 Final Exams
December 7 (TH)	
* *	Study Day (Faculty will be available in their offices from 8:30 am to noon)
December 11-14 (M, T, W, TH)	
	End of Term (additional work must be completed, Independent Study and
Incomplete forms must be on file)	manu or return (unumonar mora muse se compresses) mucipomuent seuting unu
December 18 (M)	Final grades due (12:00 noon)
December 19 (T)	
	Offices closed from 4:30 pm until 8:00 am on 1/2/24 (W)
200111001 20 (11)	
Spring Semester 2024	
January 2 (T)	Offices open
	Reporting day for faculty (8:00 am); Faculty/Staff In-Service
	Registration (8:00 am - 6:00 pm) (Last Day for Online Course Registration)
	.Day & evening classes begin, Online & Fast Track 1 Classes begin
	Martin Luther King Holiday (no classes, offices closed)
January 16 (T)	
	Last day to complete application file for current semester/Last day for 50% refund
	Faculty/Staff In-Service (no day classes but extended day and evening classes meet)
	Online Midterm Proctored Exams & Fast Track 1 Final Exam
March 5 (T) Midterm advisory grades due	
Fast Track 1 Ends March 6 (W)	
March 18-22 (M-F)	
	Spring Break Friday (no classes, offices closed)
March 25 (M)	
April 3 (W)	
April 3 (W)	
11p111 2 (11)	builine & Lan registration occurs

April 24 (W)	
April 25 (TH)	
	Study Day (Faculty will be available in their offices from 8:30 am to noon)
	Online & Fast Track 2 Final Proctored Exams
April 29-May 2 (M-TH)	
	End of Term (additional work must be completed, Independent Study and
Incomplete forms must be on file)	
May 6 (M)	Final grades due (12:00 noon)
May 9 (TH)	Graduation Arkansas County at Grand Prairie Center (7:00 pm)
May 10 (F)	Graduation Phillips Cty. at the Hendrix Fine Arts Ctr. in Lily Peter Audit. (7:00 pm)
May 27 (M)	Memorial Day Holiday (offices closed)

PHILLIPS COMMUNITY COLLEGE ADMINISTRATIVE PROCEDURE

Administrative Procedure: 405.02 Subject: Behavioral Intervention Policy

Applicable Board Policy: 405

Date Adopted: 10/2022 Revised: 10/2022

Reviewed: 10/2022

Phillips Community College of the University of Arkansas values all members of the campus community and strives to provide a safe educational environment for student development. In order to sustain an environment that promotes responsibility, a specific standard of behavior, respect, and cooperation among community members, PCCUA will provide a route of communication, assessment, intervention, and monitoring of concerning behaviors exhibited by members of the campus community.

Behavioral Intervention Team

The purpose of the Behavior Intervention Team is to assist in the development of strategies to address situations involving students whose behavior may be disruptive or harmful to the PCCUA campus community, including situations where the disruptive or harmful behavior may be a result of a mental, emotional or psychological health issue.

Functions:

- 1. Assesses situations involving a student whose behavior may be disruptive or harmful to the campus. In doing so, protects the rights of individuals involved who may go through the process.
- 2. Appropriate administration consults with faculty, staff and other students affected by the inappropriate behaviors of a disruptive student.
- 3. Coordinates a campus response to address the situation.
- 4. Makes a recommendation to the Vice Chancellor for Student Services about appropriate action consistent with PCCUA policy and procedure statements, and with state and federal law.

Membership:

The Behavior Intervention Team is composed of representatives from critical areas of the campus, including the Vice Chancellor for Student Services, Vice Chancellor for Academic Instruction, Supervisor of Campus Security, Director of Human Resources, Diversity and Inclusion Coordinator, Disability Coordinator, Academic Deans, Faculty Senate Representative, and Staff. The composition of the Behavior Intervention Team will fluctuate due to the nature of individual cases.

Reporting

Notification of incidents are to be made within 48 hours after the occurrence via an incident form found on Ridge Net. Documents should be given to the Vice Chancellor for Student Services. Please note that common classroom disruptions are not to be considered Behavioral Incidents, but only behaviors that

are consistent, elevated, and that present an ongoing threat to self or others. All reports of imminent harm to self or others shall be made to local law enforcement.

Administration, Faculty, staff, and students should report when the following behaviors are observed:

- Student is distressed.
- • Student is disruptive in class.
- Frequent outbursts in and out of the classroom setting.
- Constantly blames others and refuses to take responsibility.
- Expresses unreasonable feelings of being persecuted by others.
- Student poses a threat to self and others.
- Identifies contingencies that would provide an act.
- Psychiatric disorder diagnosis.
- Gang membership.
- Apparent use of drugs or alcohol.
 - History of stalking or following others.
- Auditory or Visual Hallucinations.
- Has disorganized speech.

Concerning Behavior

Behavior that indicates an apparent and non-transient inability to cope with the realities of their daily life.

Threat

Word(s), action(s), or behavior(s) indicating a potential for harm to self or others. A threat can be verbal or nonverbal, intentional or unintentional, and may be made against a specific person or general in nature.

Threatening Behavior

A verbal threat that creates an immediate sense of fear or intimidation for anyone observing the behavior or is involved in the incident.

Operations and Procedure

When an Incident Form has been turned into the Vice Chancellor for Student Services, he/she will contact the Behavioral Intervention Team (BIT) as soon as possible to deescalate or eliminate the issue. Once the team has been notified, then the members will follow the below mentioned process:

- Assess the situation by gathering information concerning the incident via interviews
 with all parties associated with the incident and interviews with identified protentional
 targets of inappropriate behavior. Acquired information is essential in planning
 intervention strategies.
- Identity specific behavior of concern and the context of the behavior.
- Assess danger to the campus, including the nature, duration and severity of any risk.
- Identify the presence of a pathway to violence.
- Review evidence of health issues, including mental health issues, as the potential cause of the behavior.
- Determine if the behavior warrants ongoing case monitoring or if the behavior rises to the level of a threat.
- Determine if reasonable accommodations will mitigate risk.

- Identify appropriate resources to assist in addressing the situation.
- Three weeks following assessment and team recommendation, the group will reconvene to evaluate the outcome of the situation.
- Consider course accommodations to continue student persistence and retention.
- Consider banning student from facilities on campus.
- When it has been determined that the student behavior may be in violation of the PCCUA code of conduct, then the case is referred to the Vice Chancellor for Student Services for determination.
- Students displaying frequent Behavior issues and are determined to be a high risk for danger to self or others will be given a temporary removal from campus until the student is able to present documentation from physician citing their medical prognosis and clearance to return to campus. Once the removal of the student has taken place, the Vice Chancellor for Student Services would serve as the contact person for future communications concerning reentry to campus.
- Voluntary withdrawal from campus to manage issues.
- Monitoring student behavior activity via communication with faculty, staff, and students regarding student behavior.

Intervention Strategies:

If the BIT determines that intervention is necessary, the team will follow the intervention strategies noted below:

Record Keeping:

The Behavioral Intervention Team would maintain a written summary of concerning or threatening behavior, information used to identify the threat, management activities conducted, and final decisions made by the BIT. All information will be held in the strictest confidence and will be maintained by the Vice Chancellor for Student Services.

Appeals:

A student who has been involuntarily removed from campus would have the opportunity to appeal the decision of the Behavioral Intervention Team through an appellate panel composed of senior level administrators. The student will be notified of the appeal process, in writing, and the appeal will have to be filed with the Vice Chancellor for Student Services within two (2) business days of the written decision of the Behavioral Intervention Team. The appeal panel would formulate a decision based on evidence received. This process ensures due process is provided to the student. The decision of the panel is the final decision.

Confidentiality:

FERPA does allow the release of student education records in accordance with health and safety emergencies when release is necessary to protect the health and safety of the student or other individuals.
