PCCUA is an equal opportunity institution. PCCUA does not discriminate in its education programs or activities (including in admission and employment) on the basis of any category or status protected by law, including age, race, color, national origin, disability, religion, protected veteran status, military service, genetic information, sex, sexual orientation, or pregnancy. PLEASE NOTE: This Schedule of Classes represents an intention rather than a guarantee of what, where, when, and by whom course sections are to be offered during the semester. Every attempt is made to ensure that the schedule is accurate. However, circumstances such as demand for courses and faculty availability may require changes between the time of schedule preparation and the time the semester begins. Phillips Community College reserves the right to add, delete, or restrict enrollment of classes due to unforeseen circumstances.

FINANCIAL AID

Phillips Community College was founded on the belief in equal opportunity, the idea of making the benefit of a community college education available to all, regardless of an individual's financial need.

Apply for financial aid free online at www.studentaid.gov. Students should check their Workday accounts daily for any and all updates.

Financial Need: Financial aid is awarded to students who show financial need and who are maintaining satisfactory progress as defined by the institution.

How to Apply:

All students must complete FAFSA application online at studentaid.gov and dependent students must have parent's consent.

If Eligible for Financial Aid:

- If you are eligible for financial aid, you will receive an Award Letter from the PCCUA Helena-West Helena campus financial aid office;
- PCCUA staff will submit your awards form to the Business office.
- If the amount of the award letter is greater than the cost of tuition and books, the balance is paid to you in two payments.
- Remember: Students who withdraw from classes may be required to repay federal dollars.

G.I. BILL-VETERANS BENEFITS

Veterans (GI) Benefits: The Arkansas State Approving Agency approves some programs at PCCUA for veteran training.
