## Co-Requisite Mathematics: Refining and Scaling Implementation

**South-Central Arkansas**  
**October 31, 2019; 10am-4pm**  
**Henderson State Univ., at**  
**Garrison Center, Grand Ballroom**  
**Arkadelphia, AR**

**North-Central Arkansas**  
**November 1, 2019; 10am-4pm**  
**UACC Morrilton, at Workforce**  
**Development Center**  
**Morrilton, AR**

This workshop supports college and university teams who are building on the work from Spring 2019 to develop, implement, scale and refine math pathways aligned with the recommendations from the Arkansas Math Pathways Task Force to accelerate students needing developmental education.

**Hosted by**

**Facilitated by**

**Dana Center**  
**Mathematics**  
**PATHWAYS**

Each institution should consider bringing a team of 3-5 people including:

- Mathematics faculty members who teach introductory statistics, quantitative reasoning, and/or algebraic courses (College Algebra, Precalculus, etc) as well as precollege mathematics.

Through this interactive workshop, institutional teams will share successes and challenges from their mathematics co-requisite implementation and explore strategies for refining and scaling up offerings to serve at least 75% of all developmental students. Travel reimbursement for mileage for up to 2 vehicles per college (forms to be provided at the event). Please contact [Mike Leach](#) for more information.

**Register by October 17th**
