COLLEGE BELIEFS

Equal Educational Opportunity Policy

Phillips Community College of the University of Arkansas (PCCUA) is an equal opportunity, affirmative action institution. PCCUA provides equal educational and employment opportunity without regard to age, race, gender, gender identity, national origin, disability, religion, marital or parental status, veteran status, genetic information, or sexual orientation. We prohibit retaliation against a person who files a charge of discrimination, participates in a discrimination proceeding, or otherwise opposes an unlawful practice.

College Mission Statement

PCCUA is a multi-campus, two-year college serving the communities in Eastern Arkansas. The college is committed to helping every student succeed. We provide high quality, accessible educational opportunities and skills development to promote life-long learning, and we engage in the life of our students and our communities.

PCCUA Values

Student Success

We are committed to the success of every student. We believe all students, given the right conditions, can learn. We believe those conditions include high expectations reflected in a rigorous curriculum and personal engagement evidenced by a faculty and staff who invest themselves in the lives of our students and our communities.

The Power of Education

We believe learning begins at birth and should last a lifetime. We believe in the power of education to transform lives and build strong, productive communities.

Diversity

We respect the inherent worth and dignity of every person.

History of Phillips Community College

In 1964, leaders from all parts of Arkansas became enthusiastic about the public community college concept and undertook the difficult task of amending the state's constitution to permit the development of a system of community colleges in Arkansas.

The official history of Phillips County Community College dates from two events in 1965: (1) Act 560 of the Arkansas State Legislature, which paved the way for establishing community colleges; and (2) an affirmative vote by the people of Phillips County on October 23, 1965, which provided the local financial support for the college.

The Board of Trustees was appointed by the Governor of the State and met for the first time on November 1, 1965, officially creating Phillips County Community College. An early order of business for the Board was the election of Dr. John Easley as the first President of the College. The assembly of a faculty and staff was completed, and the new College was ready to open its doors in temporary quarters by September, 1966. The Board of Trustees decided that since construction of a new plant would take approximately two years, classes would begin in the Naval Reserve Building in Helena. The building served as home for Phillips County Community College for two years. In May, 1968, the first class was graduated. Construction of the permanent College facilities was also completed in 1968, and school opened in September of that year on the present campus.

During Dr. Easley's presidency, enrollment at the college grew, as did the physical plant. In 1972, the Fine Arts Center and Lily Peter Auditorium were completed with the help of generous support from the community. In 1976, the Nursing Education Complex was completed. In 1982, the Technical & Industrial Education Complex was opened. In 1986, the administration/data processing building was completed and a year later, the college library was renovated and named the Lewis Library, thanks to the generosity of the A. B. Lewis family.

In 1988, Dr. Easley retired and the administration building was renamed in his honor. Dr. Steven W. Jones was elected by the Board of Trustees to be the college's second president on March 8, 1988.

Since that time, the College has experienced dramatic growth with an expansion of the curriculum and facilities. Enrollment increased steadily in the early 1990's, and the Asa W. Bonner Student Center was dedicated in 1991. The Mitchell Science annex was added to the Nursing Education Complex in 1992. In 1993, the College was given the historic Pillow-Thompson House in Helena by Josephine Thompson and her son, George de Man. The house was renovated with the generous support of community donations and historic preservation grants and reopened in May of 1997.

In March 1996, the people of Arkansas County passed a referendum to annex that county into the PCCC taxing district. The Board of Trustees changed the name of the college to Phillips Community College to reflect the multi-county support and began plans to expand the off-campus programs in Stuttgart. In June 1996, the State transferred the former Rice Belt Technical Institute in DeWitt to Phillips Community College and on July 1, 1996, Phillips became a member of the University of Arkansas System. PCCUA now has three campuses in DeWitt, Helena, and Stuttgart.

Phillips Community College has always been a leader and innovator in higher education in Arkansas. The College has grown from an original enrollment of fewer than 250 students in 14 program areas to over 2,400 students in academic, occupational/technical, and continuing education programs. New programs are continually being researched and planned so that PCCUA will remain responsive to the needs and interests of the people of Eastern Arkansas. In the Fall of 2003, Dr. Steven Murray was named Chancellor of Phillips Community College. Dr. Murray was the College's third Chancellor. July 1, 2015 Dr. Keith Pinchback became the fourth Chancellor at PCCUA.

COVID 19-PCCUA COLLEGE REOPENING PLAN

The PCCUA COVID-19 Reopening Task Force's primary goal is to establish the plan the College is using to direct efforts to resume instruction, services, and activities. The plan is presented in four phases beginning with the existing closure environment and gradually opening offices for employees; classrooms, service offices, and shared spaces for students; and the College public spaces used for activities and events for the community.

INSTRUCTORS AND INSTRUCTION

Course and Student Information

A. Responsibilities of the Instructor

It is the responsibility of each instructor to teach the assigned class in a manner consistent with the course description in the college catalog. Adjunct and full-time faculty are required to develop a course syllabus. Course syllabi should be distributed and thoroughly reviewed with students on the first class meeting. A syllabus template has been included in the appendix of this handbook for your convenience. (See Syllabus, pp. 23-26).

A copy of the syllabus must be provided electronically to the division dean/chair who will forward it to Linda Miller and Dr. Deborah King, Vice Chancellor for Instruction. The instructor should indicate, in writing, the relative weight or importance of each piece of required work used in determining the final course grade. Minor changes in a course syllabus (i.e., due date, slight alterations of the relative weights of various assignments) may be made as long as sufficient notice is given to the students affected. Major changes (significant changes in the relative weights of assignments, additions of major assignments, papers or test, etc.) in a course syllabus should be avoided except in extreme and unusual circumstances.

B. Responsibilities of Instructors for Instruction

- a. Instructors are expected to meet their class on time and for the full duration of each officially scheduled period. Because of the COVID-19 pandemic, many faculty may be using staggered scheduling to ensure social distancing, hybrid strategies, and other approved delivery methods. The 2020-21 academic year is different from previous years. All faculty are requested to use BlackBoard for some instruction. However, it is recognized that some instructors may be using textbook platforms such as Hawkes, Pearson and others for instruction.
- b. Each instructor must report discrepancies between the class roll and student attendance to the Office of Admissions and Records on the DeWitt, Helena-West Helena, or Stuttgart campus to assure the accuracy of student enrollment records. Students whose names are not on the class roll, who do not have an add slip, or other documentation should not be allowed to attend class. These students should be directed to their advisor or the business office so that appropriate changes can be made to their schedules. If you are altering your delivery format, this must be approved by the dean/chair.
- c. Each instructor must send a “no show report” via e-mail to the Office of Admissions & Records immediately after the second-class meeting. Stuttgart campus instructors should send their no-show report to Tonya Horner (ext.1805). DeWitt campus instructors should report their no shows to Julius Johnson (ext.1614). Helena-West Helena campus instructors should report their no shows to Heather Funk (ext.1138).

- d. Each instructor must evaluate the quality of each student's work, using the evidence of papers, tests, reports, projects, classroom performance, and examinations as appropriate.
- e. Students may need to talk with an instructor between class meetings. Each instructor is to provide a telephone number (office or home) or an email address to students or have a staff member designated to forward messages from students. When possible, students' calls should be returned within twenty-four hours. (See Office Schedule, p.28).
- f. Each examination must be supervised by the instructor or a designated proctor.
- g. Midterm and end of semester grades must be submitted through Datatel by the required deadline.
- h. A Student Evaluation of Instruction will be administered at least once during both the fall and/or spring semester.

C. Absence of a Faculty Member

Each scheduled class will meet regularly at the time and place indicated on the schedule unless prior approval for change of time or for cancellation is obtained from the Vice Chancellor for Instruction or his/her designee.

If an instructor knows in advance that he/she must be absent from classes, arrangements for a substitute should be made through the dean, campus program coordinator, or department chairperson.

In case of illness, not previously reported, which prevents an instructor from meeting his/her classes, the instructor should telephone the dean, campus program coordinator, or department chairperson as early as possible. Do not leave a voicemail message.

Faculty missing three consecutive days are required to bring a physician or practitioner's note to return to work.

D. Attendance Policy

Students are expected to attend all classes regularly and punctually. *The instructor will provide to the student at the beginning of the semester a written statement of the attendance policy for the course.* Regular attendance is expected in all courses with the exception of alternative delivery courses that do not meet at a fixed time and place. Instructors of such courses will explain what measures instead of classroom attendance will be used to monitor continued participation in the course. In all courses it is the student's responsibility to know and comply with the instructor's policy and to contact the instructor to make up missed work.

Adjunct instructors will notify the student’s advisor by entering the appropriate information on Web Advisor so that the student can be contacted by an advisor, either by phone, in writing, or by email when a student is in danger of becoming excessively absent. Advisor names are listed on class rolls. If unable to access Web Advisor, instructors should contact the campus program coordinator on the DeWitt and Stuttgart campuses and division dean on the Helena-West Helena campus. If the student is absent more than allowed by the instructor, the instructor on the DeWitt or Stuttgart campuses will drop the student from the class roll with a grade of an “EW” by notifying the Program Coordinator in writing within one week after the student has become excessively absent. Such written notification must include the student’s last date of attendance. A recommended attendance policy is included below. (See Advisor List, p. 29)

CLASSES THAT MEET ONCE PER WEEK	2 ABSENCES
CLASSES THAT MEET TWICE A WEEK	4 ABSENCES
SUMMER CLASSES, DAY AND NIGHT	2 ABSENCES

A student’s absence due to college trips, college business or court ordered appearances will not be counted against the allowable number of absences. Usually three tardies will constitute one absence. The student is responsible for all work missed during such absences. This varies from division to division. Check with your dean/chair and use the academic calendar to identify instructional days. (See Academic and On-line Calendars, pp. 30-31).

E. Class Textbook(s)

The division dean, department chair, or program coordinator will supply each adjunct faculty member with copies of required texts, a recent syllabus for each assigned course, and a roll book. Incidental supplies (i.e. pens, notebooks, etc.) are also available on request from the dean, chair, or evening coordinator. Syllabi for all PCCUA classes are available online through the Intranet.

Faculty will be sent a link to the textbook adoption form 1 month prior to textbook adoption due date via email. A link will also be posted in My Ridgenet.

1. Faculty will fill out required textbook information.
2. Textbook adoption forms will be auto forwarded to appropriate deans/chairs for approval after faculty submission.
3. Upon approval from dean/chair, textbook adoption form will be sent to the Vice Chancellor for Students Services and the bookstore manager. Faculty will also receive an approval notification via email.

F. Class Roll/Roster

Class rolls can be accessed through Web Advisor or issued by the Office of Admissions if access to Web Advisor is not acceptable. Roll books, the procedures for determining

grades and final grades must be maintained and turned in to the dean or Department Chair at the end of the instructor's tenure. Adjunct faculty members must leave a telephone number and address with the division office.

G. Early Warning

Directions: PCCUA believes that attendance is important to student success. We ask your help in making sure students understand the importance of attending class and with identifying students who are "at risk" because of attendance. The suggested practice is provided in this "Early Warning" section of the handbook.

1st Absence

After the first absence we ask faculty to discuss absenteeism in a friendly manner, the instructor should discuss the importance of being in class and emphasize the need to make-up any assignments or homework missed while absent.

2nd Absence

After the second absence the instructor will complete a student referral. An email will be generated to the advisor and the student. It is important to have assignments and activities in class which require the student to check PCCUA email so they become familiar with it.

Students enrolled in Section 20 or 30 classes (evening and extended day or courses which meet once a week) should be considered "at risk" after the first absence. The instructor should complete the Student Referral Form identifying the student as "at risk" so the advisor can intervene before the second absence.

3rd Absence "At Risk"

The instructor will complete a student referral which is sent to the advisor and the student. Students at this level are considered "at risk" and need to be contacted more intrusively so that they return to class and remain in the class without further absences.

H. Examinations

Final examinations given at the end of the semester must take place at a time announced in the examination schedule in the Schedule of Classes. Any variation from this exam schedule must be approved by the Vice Chancellor for Instruction. (See Final Exam Schedule, pp. 32- 33)

I. Grade Assignment, Change and Appeal Procedures

1. Grade Assignment

Assigning grades for college courses is the responsibility of each individual instructor. Instructors are expected to use good judgment and fair methods in determining grades and to orient their classes during the first week of instruction as to the basis for grading, standards of attendance, and nature of assignments. The definition of letter grades granted

by the college is given in the college catalog. It is always a good practice to retain student examinations and other documentation when assigning grades.

Instructors are responsible for submitting grades twice during each semester. These periods are at midterm and after final examinations. Grades are posted with the Office of Admissions and Records and the due times are published in the academic calendar of the catalog.

2. Grading System

- A** is given for excellent work (4 quality points per semester hour).
- B** is given for work that is above average (3 quality points per semester hour).
- C** indicates work of average quality (2 quality points per semester hour).
- D** is the minimum passing grade (1 quality point per semester hour).
- F** indicates that student failed to meet minimum requirements (0 quality points).
- W** indicates a student withdrew from a course within the prescribed time.
- EW** faculty initiated withdrawal due to excessive absence.
- S** is given for students working up to potential in individualized (self-pacing) courses.
- AU** Audit
- S/U** is given for student in individualized courses who fail to work up to potential.
- I** is given for incomplete work to be made up within sixty days following the close of a current semester. An "I" contract must be submitted before this grade can be awarded.

3. Incomplete (I) Grades

At the end of any semester, an instructor may assign a grade of "I" if extenuating circumstances have prevented the student from completing all course requirements. An "I" grade is appropriate only in situations where the student has completed the vast majority of the course requirements based on professional judgment of the instructor. The instructor shall make a professional judgment, on a case-by-case basis, concerning the efficacy of assigning an "I" grade. If a grade of "I" is assigned, the instructor will make a written contract with the student. This contract shall be signed by the instructor and the student, work to be completed listed, and a specific date for completion of the course work provided. The instructor will file the contract with the Office of Admissions and Records. (See Incomplete Grade Change, p. 34)

4. Grade Change

An instructor may change a recorded grade assigned in error. The instructor should complete a Request for Grade Change form, sign it and forward to the division dean for signature and submission to the Office of Admissions and Records. The Office of Admissions and Records will correct any error that may be made while entering grade. (Request for Grade Change Form, p.35)

5. Appeal of Grade

Questions related to grading or other matters of an academic nature should be presented to the student's instructor. If not satisfactorily resolved at this level, the question should be referred using the following procedure:

- a. Student initiates contact with instructor within 10 working days of receiving the final course grade by submitting a completed grade appeal form to instructor.
- b. If no resolution is reached, student submits a copy of completed grade appeal form with instructor's "action taken" to the division chair or dean, and the campus Vice Chancellor (if the course appealed is in Stuttgart or DeWitt) within 5 working days of Step 1.
- c. If no resolution is reached, student submits a copy of completed grade appeal form with signatures of instructor, division chair/dean, and Vice Chancellor (if the course appealed is in Stuttgart or DeWitt) within 5 working days of Step 2, to the Vice Chancellor for Instruction (VCI). The VCI notifies the chair of the Faculty Senate Academic Standards Committee to conduct a hearing.
- d. Within 5 working days of Step 3, the Chair of the Faculty Senate Academic Standards Committee will convene to consider the appeal. If the Faculty Senate Academic Standards Committee finds the request merits a hearing, the committee will notify the student and instructor within 5 working days the time and location of the hearing.
- e. The Academic Standards Committee will convene the hearing and findings concerning the appeal are considered final (Academic Appeal Form P. 36).

If the question is an academic matter other than grades, the same appeal process listed above will be followed.

In all cases the grievant has the burden of proof with respect to the allegations in the complaint and in the request for a hearing.

Although the primary responsibility of the Academic Standards Committee is to review appeals, the committee will report a written decision of the final solution to the complaint. The written decision will be kept in the student's file in the Office of Admissions and Records.

Because of the time needed to resolve a possible grievance, all instructors must retain appropriate tests for at least one semester following the semester just ended.

Steps	Procedure	Time Frame
Step 1	Student initiates contact with instructor. If no resolution, proceed to Step 2.	Within 10 working days of receiving the final course grade, student submits completed grade appeal form to instructor.
Step 2	Student submits copy of completed grade appeal form with the "instructor's action" taken to the division chair or dean, and the Campus Vice Chancellor (if the course appealed is in Stuttgart or	Within 5 working days of Step 1

	DeWitt). If there is no resolution, proceed to Step 3.	
Step 3	Student submits copy of completed grade appeal form with signatures of instructor, division chair/dean, and Vice Chancellor (if the course appealed is in Stuttgart or DeWitt). This action is taken to the Vice Chancellor for Instruction (VCI). The VCI notifies the chair of the Faculty Senate Academic Standards Committee to conduct a hearing.	Within 5 working days of Step 2
Step 4	The Chair of the Faculty Senate Academic Standards Committee convenes to consider the appeal.	Within 5 working days of Step 3
Step 5	If the Faculty Senate Academic Standards Committee finds the request merits a hearing, the committee will notify the student and instructor within 5 days the time and location of the hearing.	Within 5 working days of Step 4
Step 6	Academic Standards Committee will convene the hearing. Findings concerning the appeal are considered final.	Within 5 working days of Step 5

According to Board Policy 404, instructors will assign mid-semester advisory grades, final grades, and student progress or class standing when requested by the administration. Grades may be kept in a grade book filled out in ink or kept in an electronic grade book. Instructors will record all grades and attendance in the grade book in a timely manner. Instructors will keep grade books on file for three (3) years and after three years the grade books will be shredded, electronically deleted, or destroyed. In the event of termination or resignation of an instructor’s employment with Phillips Community College of the University of Arkansas, the instructor will return all grade books in his or her file to the direct supervisor of the department.

J. No Show

Students who miss the first two days of class must be reported to the Office of Admission and Records as “NO SHOWS”.

K. Student Referrals

Students and their success are important to PCCUA. There are many factors that play a role in the success of a student, some of which the College, faculty and staff have no control over. Support assistance may be provided through different channels so faculty are asked to submit an electronic referral form.

L. Students with Disabilities

PCCUA is an open enrollment college and committed to meet the needs of students with disabilities who wish to advance their educational background. In order to meet the needs of students with disabilities entering the College, PCCUA provides assistance, a professional academic advisor, and certain academic accommodations. Through the use of these services, students are more likely to experience success in a positive learning environment.

Philosophy

PCCUA welcomes students with disabilities. PCCUA strives to meet the needs of students with self-disclosed disabilities who wish to advance their education. Students with disclosed disabilities who work with a Disability Coordinator to obtain reasonable accommodations are more likely to experience success in a positive learning environment.

Confidentiality

Information in the student's disability file is confidential. Information pertaining to the student's disability will be maintained in a sealed envelope in the student's permanent academic record. Information about the existence and relevant limitations of a disability as well as the accommodation for which a student is eligible will be disclosed only with the student's written permission. The student must provide written permission for disclosure to secure academic and support services (parking, library usage).

Disclosure

Students are encouraged to disclose a disability and to request reasonable accommodation for that disability, as early as possible during a particular semester, in order that any agreed upon accommodation may be implemented as soon as possible for the benefit of the student. Written documentation of a disclosed disability must be presented to one of the PCCUA Disability Coordinators who are identified in the PCCUA College Catalog and Student Handbook.

Appeal

A student may appeal a decision concerning accommodation by first requesting an informal meeting with a Disability Coordinator, the Vice Chancellor for Instruction, and instructor if applicable. If the issue is not resolved, the student may activate the formal grievance process as outlined in the *PCCUA Policy and Procedure Manual*.

Legal Policy

PCCUA accommodates students with disabilities as required by the American Disabilities Act (ADA) of 1990 and the Rehabilitation Act Section 504 (173). A Disability Coordinator is available on each campus to assist students in obtaining reasonable accommodations for self-disclosed disabilities. Disability Coordinators are identified in the PCCUA College Catalog and Student Handbook. It is the student's responsibility to self-disclose the disability to the Disability Coordinator.

<https://www.pccua.edu/students/student-assistance/students-with-disabilities/>

The Rehabilitation Act of 1973 included **Section 504** forbade discrimination against persons with disabilities by programs and activities receiving federal financial assistance, which included virtually every institution of higher education, except the U.S. military academies and a few small religious schools.

A postsecondary institution must make reasonable accommodations for students with disabilities so that they can participate in programs and activities.

Colleges must make "academic accommodations" for students with disabilities so that they can participate in the academic and extra curriculum at the institution. Academic accommodations include extended time for test taking or completion of course work; tape recording of classes; substitution of specific courses to meet degree requirements; modification of test taking and other adjustments.

Colleges do not have to provide accommodations that would "fundamentally alter" the educational program or academic requirements essential to a program of study or necessary to fulfill licensing requirements.

<http://www.ed.gov/about/offices/list/osers/osep/index.html>

The rights of students with disabilities are protected under Section 504 of the Rehabilitation Act of 1973 (Section 504), the Americans with Disabilities Act of 1990 (ADA), the Individuals with Disabilities Education Act of 1990 (IDEA), and the Disabilities Education Act of 1997, Public Law 105017.

Process for Receiving Services

1. Make an appointment to meet with a Disability Coordinator as early as possible during a particular semester, preferably before a semester begins. A Disability Coordinator is located on each campus and identified in the College Catalog and Student Handbook.

DeWitt-Shawanna Wansley (ext. 1610)
Helena-West Helena-George White (ext.1135)
Stuttgart-Sylvia Boyd(ext.1809)

2. Obtain an Application for Disability Services Form at the following link.

<https://www.pccua.edu/students/student-assistance/students-with-disabilities/>

3. Submit to the Disability Coordinator (1) a completed Application for Disability Services Form and (2) medical documentation from providers, which include but are not limited to, a certified/licensed physician, psychologist, psychometrist, audiologist, speech pathologist, rehabilitation counselor, physical or occupational therapist. Medical documentation must reflect the student's present level of functioning with respect to the

major life activity affected by the disability. Diagnostic information must include specific recommendations as well as the rationale for each. **The cost of obtaining professional documentation is the sole responsibility of the student.**

4. The Disability Coordinator will verify eligibility and discuss with the student the medically recommended accommodations.
5. The Disability Coordinator and student will identify and agree upon reasonable accommodation(s).
6. The Disability Coordinator will complete a Faculty Notification of Services Form, which identifies recommended reasonable accommodation(s).
7. The Disability Coordinator will give the completed Faculty Notification of Services Form to the student.
8. The student will assume responsibility for taking the completed Faculty Notification of Services Form to each of the student's instructor(s) to discuss the identified accommodation(s) on the Faculty Notification of Services Form.
(The Disabilities Coordinator will e-mail instructor(s) teaching courses for which the student has requested accommodations.)
9. The instructor and student will discuss the requested reasonable accommodations.
10. The instructor will sign the Faculty Notification of Services Form indicating his or her notification to provide reasonable accommodation services. Each instructor will keep a copy of this signed Faculty Notification of Services Form for his or her records.
11. The student will return the original Faculty Notification of Services Form to the Disability Coordinator **after** each of the student's instructor(s) for a particular semester has/have signed the form.
12. The Disability Coordinator will keep a signed copy of the Application for Disability Services Form, medical documentation, and Faculty Notification of Services Form in the Disability Coordinator's office.
13. The Disability Coordinator will send a copy of the Application for Disability Services Form, medical documentation, and Faculty Notification of Services Form in a sealed envelope to the Registrar's office for inclusion in the student's permanent academic record.
14. Requests to rescind or modify any accommodation must be submitted in writing to the student's Disability Coordinator **and** all instructors providing reasonable accommodations for a particular semester.
15. The **REQUEST** to receive accommodation services for a disclosed disability **MUST BE REPEATED** each and every semester the student is enrolled. However,

documentation does not need to be presented to the Disabilities Coordinator each semester unless the status of a disability changes requiring a different level of accommodation. The following link will take you to the Student with Disabilities page.

<https://www.pccua.edu/students/student-assistance/students-with-disabilities/>

Pdf copies of the application process, application form, student checklist, and faculty notification are included at the bottom of the web page.

Faculty Responsibilities

Faculty are required to comply with federal and state laws requiring reasonable services to students with disabilities. Therefore, the faculty will ensure the following actions are implemented:

Comply with reasonable accommodations.

Identify additional accommodations which may facilitate student learning.

Inform the student's advisor of high-risk student behaviors.

Maintain confidentiality of the student's disability.

M. Professional Leave (BP 650, AP 650.04)

Faculty members are encouraged to attend professional meetings, workshops, conferences, and other events that promote professional growth. Deans and department chairpersons will make an effort to provide information in advance about professional opportunities to all faculty members.

Each division will have a limited budget to support travel for faculty. These funds will normally be used for meetings and other activities within driving distance. If a division has spent its allotted budget or if additional money is needed, a request may be made to the department chairperson or dean. The additional money may be provided through the faculty development fund. The money in this fund will be allocated to divisions based on the number of full-time instructors. The Vice Chancellor for Instruction will be responsible for administering the funds allocated to each division.

A written request should be submitted at least four weeks in advance of the date the leave is requested. A Proposal for Professional Leave form should be submitted to the department chairperson and/or the dean. If money is available and the request is approved, the proposal will be signed and attached to the college Request for Leave of Absence form then submitted as normally required.

Individuals granted faculty development funds will be expected to submit a short-written report to the department chairperson upon their return. A copy will be sent to the Vice Chancellor for Instruction for the permanent file.

Faculty development funds may be made available outside of the division rankings for faculty who apply or are asked to present scholarly papers at regional and national meetings. Faculty members who are contemplating presenting papers at such a meeting should have

full written approval before accepting any obligation. There will be no set limit on the number of presentations that may be requested; however, funds for this type of application are limited and will be considered on an individual basis. Presentation requests that result from a competitive selection process will have a priority funding status. Concurrent submission to the Vice Chancellor for Instruction. (See Proposal for Professional Leave Form, p. 37)

N. PCCUA Initiatives

The College offers support and services to help lower-income people get work and improve their financial security. Under this strategy, individuals receive a coordinated set of three key services. This approach provides integrated services through the bundling and sequencing of complementary supports in the three key areas: financial coaching and education, employment, and improved access to public benefits. The College faculty and staff stress a focus not just on such measures as participation rates, but also on key outcomes which include job placement and retention, family income, credit score improvement and completion rates for college degrees or training programs.

- **Achieving the Dream-** Achieving the Dream is a national initiative to help more community college students succeed. It focuses on student groups that traditionally have faced significant barriers to success, including students of color and low-income students. The priority for this initiative is success in remedial education, completion of gateway courses, increased retention and completion. It relies on Supplemental Instruction and Student Success I and II courses along with numerous other interventions.
- **Holistic Student Support Redesign (HSSR)-**Holistic Student Supports Redesign is an approach developed by Achieving the Dream (ATD) based on several initiatives like the Working Student Success Network (WSSN) to integrate student supports central to student success. The holistic student supports approach emphasizes understanding design, integrating with academics, and delivering services that are critical for the success of every student. HSSR helps guide institutions in redesigning student supports in an integrated, collaborative, and holistic way that enables students to progress along their educational and career pathways. It intentionally designs and offers services broadly, strategically and equitably. The priority of focus is to support and students' access to services for success and it is supported through a SNAP Grant. The first purchases have been extremely helpful and include washing machines and dryers on the Helena campus and a refrigerator for the Stuttgart campus.
- **Program Improvement Process for Equity (PIPE) -** The Program Improvement Process for Equity (PIPE) is a data-driven, decision-making, institutional change process focused on increasing the participation, completion, and transition of underrepresented groups in nontraditional programs of study. The PIPE process includes 1) conducting a student data gap analysis, 2) identifying root causes for the gaps, and 3) developing an action plan with research-based strategies proven to close the gaps. PIPE focuses on institutional programs, practices, and policies to build an environment where every student can realize their potential in high-wage, high-skill, in-demand careers. It is Carl Perkins driven and funded

- **Career Pathways-** The Arkansas Career Pathways (ICP) initiative is a comprehensive project designed to improve the earnings and post-secondary education attainment of Arkansas's low-income Temporary Assistance for Needy Families (TANF)-eligible adults. The initiative provides funding for two-year colleges to develop career pathways programs that assist TANF-eligible adults to earn a marketable educational credential for immediate entry into a high demand occupation. One CP specialist is located on each campus.
- **Strong Start to Finish-** The Charles A. Dana Center, Arkansas Division of Higher Education (ADHE), and Arkansas Community Colleges (ACC) Center for Student Success have collaborated with the Strong Start to Finish Arkansas initiative. It has and will continue to focus on math and English gateway course completion through three (3) pillars: 1) using multiple measures for student placement; 2) placing students into the appropriate math pathway for their program of study; and 3) scaling co-requisite support for at least 75% of all underprepared students. Its focus is to strengthen math and English gateway course completion and providing more co-requisite options in the math and English pathway.
- **Career and Technical Center-** Partnering with school districts in our service area (Helena-West Helena, Marvell, KIPP, Barton, DeWitt, Stuttgart, Clarendon, and Lake Village) to provide job training and career exploration in high demand career fields such as Advanced Manufacturing, Welding, Criminal Justice, Medical Professions and Computer Engineering. These programs have prioritized funding based on workforce need as determined by the Department of Career Education.
- **Student Support Services (SSS) -** Students accepted for enrollment at Phillips Community College are eligible to apply for SSS. It is designed for first generation or low-income students. The term *low income* means from a family whose taxable income for the preceding year did not exceed 150 percent of an amount equal to the poverty level determined by using criteria of poverty established by the Bureau of the Census. The term *first generation college student* means a student both of whose parents did not complete a baccalaureate degree or, in the case of any student who regularly resided with and received support from only one parent, a student whose only such parent did not complete a baccalaureate degree. Services provided to SSS students include academic advising and course selection, financial aid counseling and assistance, transfer information and assistance, including college trips, instruction in study skills, career exploration, peer and computer assisted tutoring, peer mentoring, advocacy with staff and faculty, and an open computer lab.
- **Arkansas Delta Workforce Opportunities for Rural Communities-** Arkansas Delta Training & Education Consortium (ADTEC) received a U. S. Department of Labor-Education & Training Administration grant. ADTEC serves 14 counties in eastern Arkansas, as well as three counties in Missouri and one county each in Tennessee and Mississippi. The purpose of the grant is to increase the labor participation rate in the Arkansas Delta by preparing new entrants to the workforce, particularly persons from impoverished backgrounds and the formerly incarcerated, as well as dislocated workers for jobs in high-demand fields. ADTEC includes the following colleges:

Arkansas Northeastern College (ANC)- leading this grant, EACC, PCCUA, ASU Newport, and ASU-Mid-South.

- **Carl Perkins V-** Carl Perkins V focuses on student success in career and technical education. Perkins V includes: 1) Postsecondary Placement, 2) Credential attainment and 3) Concentrators Non-Traditional. The needs assessment drives the development and spending decisions. Assessment includes: student performance, program quality, labor market needs, educator development, and special population access to programs. Perkins relies on input from multiple stakeholders. Perkins funding is designed to ensure students are prepared for careers and that business and industry have skilled workers to stay economically competitive.
- **GEAR UP-** Partnering among PCCUA and ten school districts (Helena-West Helena, Barton-Lexa, Marvell-Elaine, Lee County, Stuttgart, DeWitt, Clarendon, KIPP, Dumas, and Lakeside (Lake Village), as well as other community partners such as the Chamber of Commerce, City governments, local police and fire departments, and more. Services include: afterschool programs; mentoring college/career planning; summer programs; college campus experiences; professional development for school staff; resources to support the delivery of rigorous and academic curriculum; and parent programming. This is funded by the U.S. Department of Education.
- **Adult Education-** The Adult Education program allows students over the age of 16, who have not completed high school studies, the opportunity to acquire the skills necessary to pass the General Educational Development (GED) test or to meet other educational goals. Adult Basic Education (ABE) teaching basic literacy in reading, language skills, and math, and work readiness skills. 2)Adult Secondary Education (ASE) teaching reading, English, and math skills necessary to pass the GED test or available training programs.3) Integrated Education and Training (IET) teaching basic educational skills and technical training in approved vocational areas.
- **Food Pantry**
PCCUA has a Food Pantry on each campus. These centers are available to assist students when there are food crisis issues. For more information contact the following people: Helena-Debbie Hardy, DeWitt-Kim Rawls, and Stuttgart- Shawanna Wansley
- **Career Closet**
The Helena campus has a Career Closet available to students needing professional attire for interviews, internships, and work. Clothes and accessories are free and all are only lightly worn. Helena Campus-Shawndus Gregory.

O. PCCUA Library Services

Ruthie Pride is serving as the Interim Library Director (ext. 1145). She works closely with the Library staff to accommodate the needs of students, faculty, staff, and community patrons for this area in Arkansas. Materials and resources are frequently added to the Library collection to aid in research for classes or personal enrichment. Individual and group instruction sessions are available. Extended hours have been added to increase availability to

all patrons. Access to computers and multiple Library services (such as databases and the online catalog) are provided for convenience to everyone. If you need help, ask a Library staff person.

Q. Accidents and Incidents

In most cases, unless a security officer is present, the responding employee becomes a temporary emergency team leader responsible for taking action at the scene of an incident. If you are involved or witness an accident or incident take the following steps:

1. Assess the accident or incident
2. Report the accident or incident to the switchboard

3. The PCCUA employee reporting the accident or incident to the Vice Chancellor for Student Services will complete the accident report form (See both Accident Report Form and Incident Report Form - On Internet).
4. If you are writing the report give it to the Vice Chancellor for Student Services in Helena or the Campus Vice Chancellor's in Stuttgart or DeWitt. (See Crisis Management Plan for Complete Process <http://www.pccua.edu/faculty-staff/resources/>)

R. Travel

PCCUA encourages faculty to reserve a college vehicle when traveling as a representative of PCCUA. If a vehicle is not available for out of town travel, mileage reimbursement may be available. Discuss the travel plan with your dean or department chair before filing a leave form requesting reimbursement. (See Vehicle Request, p.40).

S. Bamboo

Numerous forms can be found on Ridgenet in Bamboo. Most faculty forms, templates, and other useful documents are posted for your convenience.

Summary of the Steps for Enrollment in Developmental Education at PCCUA

A student completes the PCCUA Admissions Application and begins the enrollment process following the next steps. All students attending PCCUA are NG ACCUPLACER Tested. At entry students receive a test review and afterward are tested before being placed with a focused advisor. Students who do not score a 19 or better on the ACT or an equivalent test are placed in remedial classes (See Placement Scale). Once students receive the placement test outcomes, they are assigned an advisor who understands the developmental course pathway. This advisor will make sure each student understands the remediation needs in relation to his or her proposed degree plan. All students enrolled in Developmental Education will receive the following interventions: supplemental instruction, focused advising, student success courses ((EH 1023 & EH 113), Early Alert, mandatory orientation, and access to a Student Success Learning Lab. In addition, students receive numerous services such as tutoring, virtual career assistance, and counseling. Students placing in developmental education may start at different course levels depending on their skill level. There are two reading levels: College Reading Strategies, DS 103, and College Reading Strategies, DS 123; two writing levels-Basic Writing I, EH 1013, and Basic Writing II, EH 1023; and three math levels-Fundamental Math, MS 1013; Elementary Algebra, MS 1023; Intermediate Algebra, MS 1123. Students not placing in developmental education are placed in college level course work. (See Placement Scores, pp. 41)

Placement Steps.

- Step 1: Students receive the NG ACCUPLACER Test Preparation/Review
- Step 2: Students are tested and placed in the appropriate courses.
- Step 3: Students are assigned an advisor
- Step 4: Students discuss remediation needs and an academic program of study. They begin course work needed to complete remediation or begin college level course work.

REMEDIATION PLACEMENT

Note: Placement in remediation is based on NG ACCUPLACER scores. Testing and placement is mandatory for all incoming students. Students that score below a 19 on the Reading, English, and/or Math portions of the ACT are required to take the NG ACCUPLACER. PCCUA students can enroll in some developmental and gateway college level courses concurrently: Basic Writing II with Composition I, and Intermediate Algebra with College Algebra.

CAMPUS SUPPORT SERVICES

Phillips Community College of the University of Arkansas provides student support services that assist students in achieving their educational objective. Those services include advising, financial aid, counseling and guidance, and safety and security.

ADA POLICY:

Dr. Kimberly Johnson is the Vice Chancellor for Student Services and serves as the ADA Compliance Officer. As an open enrollment college, PCCUA strives to meet the needs of students with self-disclosed disabilities who wish to advance their education. A student with a disability must meet with the campus Disabilities Coordinator to obtain reasonable accommodations. Students who have met with the Coordinator are more likely to experience success in a positive learning environment. If you have a disability please contact the Student Disabilities Coordinator for your campus. *(Insert the name and contact information for the Disabilities Coordinator for the student's campus.)*

The process of student referral under the Americans with Disabilities Act can be found in the Student Handbook OR ON THE College Web site at <http://www.pccua.edu/students/student-assistance/students-with-disabilities/>

FERPA POLICY

Phillips Community College of the University of Arkansas complies with the Family Educational Rights and Privacy Act (FERPA) of 1974. A student has the right to inspect and review all of his/her records that meet the definition of educational records. No third party has the right to review student records without the student's permission, with very limited exceptions. For more information contact the Registrar's Office.

INSURANCE

Phillips Community College of the University of Arkansas does not provide insurance for its students. The college does encourage each student to secure his/her own insurance, and for that reason, the college has contacted an insurance agency to assist any student with individual student insurance coverage. Forms for this insurance are available in the Registrar's office.

ACTS

The Arkansas Course Transfer System (ACTS) contains information about the transferability of courses within Arkansas Public Colleges and universities. Students are guaranteed the transfer of applicable credits and the equitable treatment in the application of credits for the admission and degree requirements. Course transferability is not guaranteed for courses listed in ACTS as "No Comparable Course." Additionally, courses with a "D" frequently do not transfer and institutional policies may vary. ACTS may be accessed on the Internet by going to the ADHE Website and selecting Course Transfer.
<https://www.adhe.edu/students-parents/colleges-universities/transfer-info.-for-students/>

COLLEGE DELAY OR CLOSURE

Weather, natural disasters, health, or emergencies may require PCCUA administrators and staff

to delay or close individual campuses or the college. We monitor weather, health, and other emergency situations carefully. In the event that there is a College closure, communications regarding the situation will be shared. Just because the K-12 district makes the decision to close, does not mean the college will close. If the roads are passable, and we are able to offer our classes, we will remain open. Just because one campus is closed does not mean all three campuses are closed.

If the College closes for one or two days, faculty will not hold students responsible for any missed classes and each faculty member will ensure that missed work due to the closure or delay is completed within the context of the course assignments and class time.

If for some reason there is an extended school closure, the student is responsible for following the instructions for assignments posted on **BlackBoard**.

All courses that are currently delivered via a distance (online or synchronized interactive) video) will continue to be delivered by that format in the event of a school closure.

Students who are currently delivered classes through synchronous interactive video courses will be able to join those conferences from home by accessing a user link provided by the instructor.

The syllabus and the policies, guidelines, and dates included are subject to change at the instructor's discretion.
