Not knowing what to do. Figure out how to pay. Transportation. Needed to work too. Kids.	@ 80-90%	Do it! People really care. It's much cheaper. Good instructors. Smaller.	Food pantry. Fun activities. Instructors really care.	Student Center – place to hang out. Food. Gym – walking track. Scholarships. Counselors/therapists	Ensure the college makes a greater effort to make student aware of services. The food pantry and other supports do not require an eligibility of any sort.
<b>MEMBERSHIP CHARACTERISTICS</b>					
Keeping grades up. Not knowing many people. Having time to do it. (most said excited about joining, no barriers)	(They couldn't really agree on this. Some felt a lot of students felt the same and others thought they were more hesitant)	Do it! Get to know people. Feels more like "real" college. Develop leadership skills.	It made me more involved in PCCUA. Looks good on a resume. Learned how to be a role model, be more confident and be a leader. Mrs. Michelle (Blasengame) talked about it a lot. Saw them at orientation. T-shirts	Meet more often. Do more recruiting visits.	Schedule more meetings and possibly more field trips and speakers.
