We prohibit retaliation against a person who files a charge of discrimination, participates in a discrimination proceeding, or otherwise opposes an unlawful practice.

Title IX of the Educational Amendments of 1972 prohibits discrimination on the basis of sex in any educational program or activity receiving federal financial assistance by way of grant, contract, or loan. Title VI of the Civil Rights Act of 1964 is similar in its prohibition of discrimination on the basis of race, color, sex, or origin. Equal education opportunity includes admission, recruitment, extracurricular programs and activities, facilities, access to course offerings, counseling and testing, financial assistance, placement, health, and athletics. The college is also committed to equal opportunities for the physically and mentally handicapped in compliance with federal regulations, Sec. 504, Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. If a student has special needs, the college only needs to be notified, and arrangements will be made.

FINANCIAL AID

Phillips Community College was founded on the belief in equal opportunity, the idea of making the benefit of a community college education available to all, regardless of an individual's financial need.

Apply for financial aid as early as possible. Call the Helena-West Helena campus at (870) 338-6474, ext. 1258 or the DeWitt campus at (870) 946-3506 or the Stuttgart campus at (870) 673-4201 for a financial aid packet. When you have completed your financial aid packet, bring it by one of our campuses or mail it to P.O. Box 785, Helena-West Helena, AR 72342-0785.

Financial Need: Financial aid is awarded to students who show financial need and who are maintaining satisfactory progress as defined by the institution.

How to Apply:

1. Complete a Free Application for Federal Student Financial Aid (FAFSA). These are available at all three campuses.
2. Return the FAFSA to the Helena-West Helena campus for electronic processing. (For Arkansas County, return the FAFSA to the DeWitt or Stuttgart campus for transmittal to the Helena-West Helena Campus.)
3. You will receive notification in the mail of the status of your financial aid within two to three weeks.
4. If you are attending PCCUA classes for the first time and you are eligible to receive federal financial aid, you will need to submit the following information:
 - a copy of your high school transcript or GED, OR a copy of your most recent college academic transcript;
 - a completed financial aid Student Data Form (available on all campuses).

If Eligible for Financial Aid:

- If you are eligible for financial aid, you will receive an Award Letter from the PCCUA Helena-West Helena campus financial aid office;
- PCCUA staff will submit your awards form to the Business office.
- If the amount of the award letter is greater than the cost of tuition and books, the balance is paid to you in two payments.
- Remember: Students who withdraw from classes may be required to repay federal dollars.

G.I. BILL-VETERANS BENEFITS

Veterans (GI) Benefits: The Arkansas State Approving Agency approves some programs at PCCUA for veteran training. Veterans of recent military service, service members, members of reserve units, and dependents of certain other veterans may be entitled to educational benefits under the following programs: Post 9/11 GI Bill Chapter 33; Title 38, Chapter 30, Montgomery GI Bill for Veterans; Title 38, Veterans Education Assistance Program (VEAP); Title 38, Chapter 35, Survivors and Dependents Education; and Title 10, Chapter 1606, 1607, Montgomery GI Bill for Selective Reserves. Students must be working toward a degree following curriculum outlined for their objectives.

Application forms can be found online at www.benefits.va.gov/gibill or you can call 1-888-442-4551 for assistance with applying for benefits. Additional information concerning these benefits may be obtained by contacting the Registrar's Office. We urge that veterans apply for educational benefits at least two months before beginning classes.

Three years' worth of statistics are included for certain types of crimes that were reported to have occurred on campus, in or on off-campus buildings or property owned or controlled by the school, and on public property within or immediately adjacent to the campus. This report is available online at [http://www.pccua.edu/images/uploads/content_files/Campus_Security_Report_2017_\(002\).pdf](http://www.pccua.edu/images/uploads/content_files/Campus_Security_Report_2017_(002).pdf).
