

Phillips Community College of the University of Arkansas is seeking qualified applicants for the following position on the Helena-West Helena Campus. This job posting is for a full-time, 9 month position.

Mathematics Instructor Helena-West Helena Campus

Essential Job Duties:

- Teach courses in developmental and college mathematics, following the departmental curriculum while maintaining a learner-centered approach to mathematics education;
- Maintain accurate student records;
- Participate collaboratively and professionally with other faculty and staff;
- Contribute to department and college efforts to enhance student success; and
- Perform other related responsibilities as required.

Qualifications: Master's degree in mathematics from an accredited institution required. Prior teaching experience, preferably in a community college setting preferred. Experience integrating technology into instruction is required. The ability and willingness to teach a wide variety of classes and the ability to work and interact effectively with colleagues and students of various cultural and socioeconomic backgrounds is a plus.

Review of applications will begin immediately and will continue until filled. To request an application, visit www.pccua.edu or email ejames@pccua.edu or call (870) 338-6474, extension 1271.
